

Master of Business Administration PROGRAM AND COURSES

The Master of Business Administration (MBA) program at Wheeling Jesuit University (WJU) is the area's most established graduate business program. Founded in 1978, more people in the Wheeling area have received their MBA from WJU than any other university. Our graduates include corporate executives, government leaders, and health care professionals. Our program is applied and hands on. It is designed for professionals who want to excel in their current careers.

The skills that are necessary in today's corporate world are varied. The online MBA program is designed to meet the needs of students who wish to complete their master's degree while continuing to handle work and family responsibilities.

The Program

The MBA program offers an online environment with 7 week courses. By taking two courses a semester, students can complete the program in 2 years or if taking a full time schedule, students can complete in one year. Each course is three (3) credit hours. Courses are offered in the fall, spring, and summer semesters.
