R				14				12	

* Substitute CHE 110/121 & CHE 120/122 for pre-professionals

** Substitute MAT 108 for pre-professionals

*** Substitute BIO 109/121 for pre-professionals

Statistics, Developmental Psychology, and Physics are also pre-requisites for WJU Physical Therapy. Other universities may have different required courses for Physical Therapy or other professional programs. It is your responsibility to know the have different required courses for Physical Therapy or other professional programs. It is your responsibility to know the requirements for your chosen field of study after graduation from Athletic Training. Expect to take summer school to fulfill these extra courses. We will do the best we can to help you incorporate these into the sequence, however you courses in you major are priority over courses you choose to take to prepare for graduate school.
