

Financial Information

Explanation of Fees

Application Fee

The student pays the application fee when first applying to the University.

Audit Fee

The audit fee must be paid to audit a class in any division.

Degree Certification

The degree certification fee covers the cost of the graduation ceremony, diplomas, caps and gowns, etc. This fee is charged whether or not the ceremony is attended.

Science Lab Fee

A science lab fee is associated with any course that has a corresponding lab. The fee pays for additional supplies needed in the lab.

Technology Fee

The technology fee covers the cost of upgrading technology on campus. This is a semester charge for day students.

Adult/Graduate/Summer Technology Fee

The adult/graduate/summer technology fee covers the cost of upgrading technology on campus. This is a semester charge for graduate and adult students and summer students.

Nursing Fee

The nursing fee is charged every semester to all nursing students from their sophomore semester until they graduate. This fee covers the additional expense of the nursing program.

Clinical Science Fee

Any student majoring in any health majors other than nursing must pay a clinical science fee every semester from their sophomore semester until they graduate. This fee covers the additional expense of the health majors.

MPT Science Lab Fee

This lab fee is charged every term except the last term to students enrolled in the Masters of Physical Therapy program in order to cover the cost of needed lab supplies.

New Student Fee

The new student fee is a one time fee charged to full-time day students to cover the cost of placement evaluation, setting up a file, transcript availability, etc.

Adult New Student Fee

The adult new student fee is a one time fee charged to adult and graduate students for setting up files, and transcript availability.

Off-Campus Fee

Any student taking classes at a location other than the main campus must pay this service charge every semester.

Late Registration Fee

This is a fee for late registration/confirmation.

Student Activity Fee

This fee funds student activities through student government allocations. Student participation in activities is either free or in some cases at a very minimal cost.

Health Fee

To assist with providing student health center services and keep cost to a minimum.

Tuition, Room and Room Damage Deposits

Each entering student, upon notice of acceptance, and each enrolled student are required to make the following deposits, where applicable, as an advanced payment. A \$100 deposit is for tuition for the semester. In addition to the tuition deposit, if the student is a residential student, a \$50 deposit is required as a room reservation and a \$50 deposit is required for the room damages that may occur. These deposits are refundable until May 1 of the year entering.

The tuition and room reservation deposits are applied to the July bill. The room damage deposit is used to cover damages throughout the year and any balance will be applied to the following year's June bill.

Classes for High School Students

Wheeling Jesuit University will accept high school juniors and seniors on a special student basis at the special rate of \$150 per credit hour. Course enrollments, however, are limited to the number of places available in the course and two courses per semester at this special rate. Upon successful completion of a course, the student earns regular college credit, applicable in a degree program at the University (provided the student is accepted by the University as a degree student) or used for transfer to another institution. In some cases, the high school student may be able to use the credit to fulfill a high school requirement, as well as have it recorded on a Wheeling Jesuit University transcript.

Payments

All fees are due and payable each semester prior to the first day of classes. Until payment is made, or an externally administered deferred payment plan is accepted, registration will be incomplete and the student may not attend classes. In order to have a schedule confirmed, or to register, a student must have official clearance from the Business Office.

The **only** alternative to payment in full is through a contract with an external payment plan endorsed by the University. Information regarding an external plan is included in admissions material or can be obtained from the Business Office.

Wheeling Jesuit University will not issue transcripts and reserves the right to withhold grades, diplomas, statements of honorable dismissals, etc., for students whose accounts indicate an outstanding balance.

Accounts not paid in full by the required due dates will be assessed a monthly finance charge of one and one quarter percent on the unpaid past due charges. The finance charge will not be assessed against those accounts which have contracted for an externally deferred payment plan. During the period of registration (usually one month), interest for current semester charges will be suspended so that all the necessary paperwork relating to loans, federal grant programs, etc., can be processed.

Student financial aid cannot be credited to a student's account until the University's Financial Aid Office has certified aid and the student has completed all paper work, promissory notes and the entrance interview.

Students are responsible for all attorney's fees and other reasonable collection costs and charges necessary for the collection of any amount not paid when due.

Housing Contracts

A \$100 housing deposit (\$50 room reservation and \$50 room damage deposit) must be paid prior to spring registration to reserve a residence hall room for the following fall semester. This deposit will be refunded only after a written request is received by the Campus Life Office prior to May 1st.

Anyone choosing to live off campus after August 1st without notifying the Housing and Residence Life Office will be assessed the room portion of the bill for the fall semester. Students residing on campus who wish to live off campus for the second semester must notify the Housing and Residence Life Office in writing by November 1st to avoid being assessed the room portion of the bill for the spring semester.

Refunds

Tuition

No refund of tuition is made after the fifth week of a semester. For students who withdraw from school, the date of formal withdrawal is the date the form is received by the Registrar. This date determines the refund.

Refund Schedule

Before two completed weeks	-80 percent
Before three completed weeks	-60 percent
Before four completed weeks	-40 percent
Before five completed weeks	-20 percent

The above refund applies to withdrawals from school, not withdrawals from individual courses. When a student's charges have been paid by Title IV Federal Aid, a return of Title IV funds policy will be applied for students who withdraw. See the Financial Aid Office for details.

Meals

A resident student who withdraws will be charged for meals up through the end of the week of withdrawal. The remainder is refunded. This refund policy applies to voluntary and involuntary withdrawals.

Fees

All fees are generally non-refundable.

Additional

1. Meal plans will not be changed after the second Monday following the beginning of classes. Specific dates will be printed on the top of meal plan change forms each and every semester. These dates and the relevant forms can be picked up from the Housing and Residence Life Office in Swint Hall 201.
2. Single rooms in the residence halls are only available when space permits. Single rooms will be offered on the basis of academic credit only after a two week housing freeze which happens at the beginning of each and every semester. Single rooms cost an additional \$500 per semester for the 2002-2003 academic year.
3. All students with less than 60 academic credits must live on campus in the residence halls, unless they live with their legal guardians and commute from within a reasonable distance from the University. The Director of Housing and Residence Life determines housing status for each student on a case-by-case basis.

All students living on campus are required to sign a housing contract which is legally binding for the entire academic year. Any student who moves off campus without prior permission from the Director of Housing and Residence Life is subject to pay the entire housing fee for the academic year. Any student who breaks a housing contract at any point during the academic year is subject to pay for the entire housing fee for the academic year. The Director of Housing and Residence Life determines the amount of payment due on a case-by-case basis.

Any student who wishes to move off campus at any point during an academic year must pick up an application in the Housing and Residence Life Office in Swint Hall 201.

Cardinal Card/Debit Card

Money may be deposited on your cardinal card/debit card for purchases at the campus shop, the Front Page, or for use in vending and copy machines. Any money remaining in any of the accounts from the fall semester will be carried over to the spring semester. If you do not use all the money by the end of the spring semester, you will lose that amount unless you request a refund of that money in writing by May 10. There is a \$15 fee for processing a refund.

Financial Aid Programs

Financial aid is awarded on the basis of scholastic achievement, financial need or a combination of both. Offers of assistance are designed to supplement the resources of the family and can range from \$100 to \$26,919 per academic year.

For federal, University, state and most private aid, family resources are measured by the needs analysis formula of the Free Application for Federal Student Aid (FAFSA). A family's Expected Family Contribution (EFC) is based upon the information submitted on the FAFSA, which includes income, assets, number of people in the family and other family factors. All students are required to file the FAFSA if they wish to apply for federal, state and University aid and scholarships.

The FAFSA may be filed by paper application or electronically at www.fafsa.ed.gov, an official U.S. Department of Education website. Filing through the internet is currently a two-step process: submitting data electronically AND sending official signatures to the federal processor. You may submit your signatures via U.S. mail or electronically using a PIN. You can apply for your PIN at www.pin.ed.gov.

Students may also estimate their EFC on the internet. Wheeling Jesuit recommends the "Financial Aid Estimation Form." It can be found at www.finaid.org, a comprehensive financial aid site. An estimated EFC is for personal planning use only. Official EFCs may vary from an estimated one and only official, federally calculated EFCs resulting from the FAFSA can be used to determine financial aid eligibility at Wheeling Jesuit.

The difference between the Expected Family Contribution and the Cost of Attendance (COA) for an academic year represents a student's "financial need."

Financial assistance may be in the form of federal, state, University or private aid. There are three types of aid: grants ("gift aid," including scholarships), loans (low interest loans requiring repayment) and work opportunities.

All financial aid is disbursed directly to students' accounts for charges relating to tuition, fees, room and board. Aid exceeding student account charges may be issued as a refund to the student for other educational expenses (books, supplies, etc.).

How to Apply

1. The student must be accepted for admission to the University in order to receive an official offer of financial aid. If applying after January 1 of the high school senior year, an applicant should apply for financial aid and for admission concurrently.
2. An applicant for aid must submit the Free Application for Federal Student Aid and list Wheeling Jesuit University Federal school code: 003831. Most states use the FAFSA for their grant programs; check with your state grant agency for details. FAFSA's are available from WJU and from high school guidance counselors. Once the FAFSA has been filed and processed, the Department of

Education (DOE) will send the student a paper Student Aid Report (SAR) and the University an electronic SAR, provided the student listed the correct Federal school code. The student and Wheeling Jesuit can make corrections on the SAR and send electronically or by mail to DOE for reprocessing.

3. WJU may require verification of information and may request a copy of an applicant's Federal income tax return, the applicant parents'/spouse's Federal income tax return, W-2 statements and other documents.

The application process and terms of these loans depend upon the borrower. For details on these loan programs, contact the Financial Aid Office.

Deferred Payment Plan

Wheeling Jesuit University accepts deferred payments made through a monthly payment plan endorsed by the University.

For additional information about the deferred payment plan, a student should contact the University's Business Office.

Withdrawals, Refunds and Financial Aid

Withdrawal from a class or from all classes may impact aid eligibility, both in the semester in which the withdrawal occurs and subsequent semesters. Refunds are made based on University policy as specified in the "Refunds" section of this catalog. Refunds to financial aid programs are made in compliance with the U.S. Department of Education regulations, state program policies and University regulations. For details and copies of the refund policies regarding these regulations, contact the Financial Aid Office.

Renewal of Financial Aid

Students must reapply for financial aid each academic year. A renewal FAFSA will be sent to continuing students at their home address in December each year for completion after January 1 but before mid-February. Students whose permanent address has changed or whose aid was based on special circumstances, must pick up a FAFSA in the Financial Aid Office each December for the upcoming academic year. Be sure to authorize release of the information to Wheeling Jesuit University. To process your FAFSA on the web, use www.fafsa.ed.gov.

To remain eligible for aid, students must also maintain satisfactory academic progress. To renew most types of aid, a student must maintain a 2.0 minimum cumulative GPA and earn a minimum of 24 credits per academic year if enrolled as a full-time student. Part-time students must earn all credits for which they register. A more detailed description of academic progress requirements is available in the Financial Aid Office and on page 125.

Most academic scholarships require a 3.0 minimum cumulative GPA. The Laut scholarship requires a 3.0 cumulative GPA at the end of the freshman year, 3.1 cumulative GPA at the end of the sophomore year and 3.2 cumulative GPA at the end of the junior year. If a student's GPA falls below the minimum requirements, scholarship assistance will be withdrawn. If financial need is shown, lost assistance may be replaced with loan or work opportunity based upon financial need and availability of such funds.

The Financial Aid Office reviews aid eligibility each semester for each student aid applicant. Because awards are often made for the subsequent year prior to the close of the academic year in progress, those awards are subject to continued eligibility after the close of that academic year in progress. Changes in cumulative GPA, hours earned, financial need, external aid received or other related factors may require the adjustment of aid offered.

Veterans

Wheeling Jesuit University is approved for veterans' benefits. For information concerning veteran eligibility, contact the Registrar's Office or your local Veterans' Administration office. Veterans' benefits must be reported on the FAFSA form.

Policy Concerning Students Affected by Military Mobilization

Students called to active duty military service will have one of two options:

1. If enough class instruction has occurred and the faculty member can justify giving a grade of incomplete, the student will have the option of taking an "I." When the student returns, they will be allowed to finish the course work and have the grade changed to the appropriate letter grade. In this case, no tuition will be refunded.
2. If the first option is not available or if the student chooses not to take advantage of it, the student will be refunded full tuition and fees for the semester in which they are currently enrolled. If the student is a boarding student, the University will pro-rate their room and board charges for the amount used. Their financial aid package will be adjusted to reflect the lower charges.

Other Employment Information

The University's Career Services Center provides information regarding employment trends and placement and average starting salary information. Federal regulations require that average employment salary information of graduates in programs of study designed to prepare them for specific career fields must be available. At Wheeling Jesuit University programs of this nature are accounting, nursing and the clinical sciences. For more information about job placement and salary averages, contact the Career Services Center. We have local and national information only. No information is maintained regarding graduates.

Standards of Satisfactory Academic Progress for Financial Aid

The following minimum requirements apply to all aid programs administered by Wheeling Jesuit University and appropriate agencies. Scholarships may require higher academic standards than those provided under the academic progress guidelines. Credit completion requirements will be monitored at the end of each academic year and grade point requirements monitored at the end of each semester.

1. Credit Completion Requirement

To determine enrollment status of a student, the University will use the number of credit hours the student is enrolled for on the first day of classes of each semester.

- A. Credit completion requirement for a full-time student (12+ credits/semester): the student is required to complete a minimum of 24 credits per academic year.
- B. Credit completion requirement for a three-quarter-time student (9-11 credits/semester): the student is required to complete a minimum of 18 credits per academic year.
- C. Credit completion requirement for a half-time student (6-8 credits/semester): the student is required to complete a minimum of 12 credits per academic year.

Note: A student who enrolls at different enrollment levels during the academic year will have the credit completion requirement pro-rated. Ex. Full-time enrollment - Fall semester and half-time enrollment -Spring semester, student must complete a total 18 credits during the academic year.

2. Grade Point Average Requirement

A student must maintain at least a 2.0 cumulative grade point average (GPA). If the student's GPA falls below the cumulative 2.0 requirement for two consecutive semesters, the student will automatically lose financial aid eligibility. Consequently, students must have a higher cumulative GPA in order to retain eligibility for scholarships and some state grants.

3. Length of Eligibility for Aid Funding

A. PA, WV and other state grant programs	8 semesters
B. WJU aid and scholarships	8 semesters
C. Title IV Federal Aid	
Full-time student	8 semesters
Three-quarter time student	12 semesters
Half-time student	16 semesters

4. Re-establishing Financial Aid Eligibility

If a student does not comply with either the grade point average or the credit completion academic progress requirements, the student is not eligible for financial aid funding until the deficiencies are resolved or appealed.

A. Summer School

A student who has not complied with the credit completion requirement may use the following summer to meet the academic progress requirements; however, no financial aid is provided to help defray summer school expenses. A student may attend summer school at Wheeling Jesuit University or another college to resolve credit hour deficiencies. However, the student should consult Wheeling Jesuit's Registrar's Office to ensure that the University will accept the transfer credits.

A student who has not complied with the grade point average requirement may use the following summer to meet the academic progress requirements; however, no financial aid is provided to help defray summer school expenses. A student must attend Wheeling Jesuit's summer school in order to resolve a GPA deficiency. Transfer credits do not change your WJU cumulative GPA.

B. Appeal Process

A student may submit a written appeal to the Financial Aid Committee requesting an exception to the academic progress requirements. The appeal letter must indicate the extenuating circumstances that the student feels merit an exception to the requirements and how these circumstances have been resolved and will not hinder the student's future progress. The student will receive a letter from the Financial Aid Committee indicating the results of the appeal.

Note: Once the student achieves the academic progress requirements, he or she must contact the Financial Aid Office. Financial aid may be reinstated based upon the availability of funds at the time and the student's financial need.

Note: If a student is suspended or dismissed for academic or disciplinary reasons, the student is not eligible for financial aid. Upon readmission, the student would receive aid only if satisfactory progress had been maintained upon dismissal or suspension.

Wheeling Jesuit University Aid Programs & Federal Aid Programs

Wheeling Jesuit University aid and federal aid will only be awarded for a total of four years. Students who take longer than four years to complete a bachelor's degree may appeal to use financial aid for an additional semester. The Financial Aid Committee will review and decide the outcome of the appeal request. Most aid requires full-time enrollment. A minimum 2.0 cumulative GPA is required to maintain aid. Academic and merit scholarships may require a higher cumulative GPA. These requirements are discussed elsewhere in the Wheeling Jesuit University catalog. No student who has Wheeling Jesuit University aid as a part of a financial aid package will receive grant assistance in excess of his or her direct costs with the University.

Rights and Responsibilities of Aid Recipients

As a consumer of a commodity (financial aid for a higher education), you have certain rights to which you are entitled, and certain obligations for which you are responsible.

You have the right to know:

- What financial assistance is available, including information on federal, state and institutional financial aid programs.
- The deadlines for submitting applications for the financial aid programs available.
- The cost of attending the University and its refund policy.
- The criteria used by the University to select financial aid recipients.
- How the University determines your financial need.
- What resources (such as parental contribution, other financial aid, your assets, etc.) are considered in the calculation of your need.
- How much of your financial need, as determined by the University, has been met.
- What portion of the financial aid you received is loan aid and what portion is grant aid. If the aid is a loan, you have the right to know what the interest rate is, the total amount that must be repaid, the repayment procedures, the length of time you have to repay the loan and when the repayment is to begin.
- How the University determines whether you are making satisfactory progress and what happens if you are not.

Consumer Responsibilities of Aid Recipients

It is your responsibility to:

- Review and consider all information about the University before you enroll.
- Complete all application forms accurately and submit them on time to the right place.
- Pay special attention to and accurately complete your application for financial aid. Errors can result in long delays in receiving financial aid. Intentional misreporting on application forms for federal financial aid is a violation of the law and is considered a criminal offense, subject to penalties under the U.S. Criminal Code.
- Submit all additional documentation, verification, corrections and/or new information requested by the Financial Aid Office.
- Read all forms that you are asked to sign and keep copies of them.
- Accept responsibility for all agreements that you sign.
- Notify the Financial Aid Office of changes in your name, address, housing or enrollment status. (This also applies to loan recipients after they leave the University.)
- Perform the work agreed upon in accepting a work study award.
- Know and comply with the University's deadlines for application or reapplication for aid.
- Know and comply with the University refund procedures.
- Notify the Financial Aid Office in advance when your course load at the University may be less than full-time. Failure to do so will cause delay in the receipt of your funds.
- Notify the Financial Aid Office of any changes in financial status. Failure to do so can result in termination of financial assistance.
- Maintain satisfactory academic progress. Withdrawal from the University or never attending classes will result in partial or full repayment of aid disbursed for the semester involved.
