Why Wheeling Jesuit?

At Wheeling Jesuit University, our philosophy of life, leadership, and service is rooted in the Catholic Jesuit educational tradition that spans more than 450 years. Wheeling Jesuit, the youngest of the 28 Jesuit colleges and universities, provides students with outstanding educational offerings, cutting-edge research opportunities, and chances to influence the community for the greater good of all. No matter their career paths, Wheeling Jesuit students make a difference in the workforce and in the world.

The purpose of a Jesuit education is to produce students who can contribute intelligently and effectively to the welfare of society because they are competent and virtuous. Students at Wheeling Jesuit gain a unique global perspective characteristic of the Catholic Jesuit educational tradition. Students become men and women for and with others through local, regional, and international volunteer opportunities.
Located in the Northern Panhandle of West Virginia along the Ohio River, Wheeling is a tight-knit, safe community with all the amenities of a small city. Wheeling features beautiful parks, walking trails, coffee shops, restaurants, a symphony, and a minor league hockey team.

Pre-Dental
Pre-Law
Pre-Medical
Pre-Pharmacy
Pre-Physical Therapy
Pre-Veterinary

Students in all majors complete a liberal arts core curriculum, and 75% of students participate in internships and field experiences within the local community.
“Events like this, show what kind of people you have surrounding you. All my friends and family and even most of the staff and teams at Wheeling Jesuit were tuning in to watch or were giving me love and good luck. This is a rare and amazing feeling because no other school in the nation is like mine. We are all close and one big family.

- Terrance Fanning on his NCAA Championship
CAMPUS ACTIVITIES

The year kicks off with a bang with “Taking Flight” – each of the first ten days of classes has a high-energy campus activity such as block parties and comedians. Throughout the year, clubs and organizations are a great way to become active and have an impact on campus, meet people with similar interests, and get some leadership experience you might not be able to have anywhere else! Student Government and Campus Activities Board (SGA and CAB) are always great; all students are empowered with opportunities to lead on developing what activities they want to see on campus.

WHEELING

As a Wheeling Jesuit student, you’ll have no shortage of fun activities on and off campus. Wheeling is home to West Virginia’s only pro ice hockey team, the Wheeling Nailers. Most weekends in town are busy with live music and other fun activities; many of which are highlighted during Wheeling’s monthly “First Fridays” series.

Shoppers will also find plenty of options in the Wheeling area. Wheeling’s neighborhoods are home to many boutique and specialty shops. The Ohio Valley Mall and The Highlands are regional shopping centers located roughly ten minutes west and east of campus, respectively.
Wheeling Jesuit University provides individualized financial assistance to students who demonstrate potential for scholarship and leadership. This approach continues to make WJU the most affordable Jesuit college or university.

SCHOLARSHIPS*

Merit Scholarships: Merit based scholarships are provided to all students based on academic performance. Scholarships range from $8,000 - $16,000 per year.

Catholic High School Scholarship: This scholarship is awarded to students who graduate from a Catholic high school outside of the Diocese of Wheeling-Charleston.

Swint Scholarship: This scholarship is awarded to students who graduate from the six Catholic high schools of the Diocese of Wheeling-Charleston.

International Scholarship: This scholarship is awarded based upon demonstrated financial need to prospective students who are citizens of another country.

Campion Athletic Scholarship: Athletic scholarships are offered by the athletic coach based upon the eligibility and talent of the student athlete.

WJU Grant: This grant is awarded based upon demonstrated financial need as determined by the FAFSA results.

Endowments: Admitted students with FAFSA results on file will be considered for these scholarships as funds become available.
