## ADOPT-A-SCHOLAR

The Adopt-A-Scholar Program at Wheeling Jesuit University is a new initiative for donors to provide much needed financial support to deserving students. It provides alumni a partnership opportunity to honor their Wheeling Jesuit experience by giving the next generation of students the chance to live out the traditions.

The Program allows donors the opportunity to support the educational journey of a student, while providing motivation and mentorship to their adopted student in order to allow them to grow personally and professionally.

Your gift of \$2,500 to the Adopt-A-Scholar Program will keep alive their dreams to obtain a Wheeling Jesuit education—an education dedicated to excellence in academics and service to others. Wheeling Jesuit students are committed to learn, serve, and contribute to the quality of life on campus and in the community.

Won't you join us to change the life of a student who one day may change the World? This is your chance to help us build the future of Wheeling Jesuit together! To Adopt-A-Scholar simply fill out the enclosed form or contact the Wheeling Jesuit University Advancement Office at (304) 243-8141 or [lorid@wju.edu](mailto:lorid@wju.edu).

If you are unable at this time to join our new Adopt-A-Scholar Program, we hope you will consider renewing your President's Circle Membership at the same level as your 2008-2009 gift.

Thank you for your support of Wheeling Jesuit University!

All the best,

J. Davitt McAteer, Esq. '66 Interim President
