

THE TROY LEGACY SOCIETY

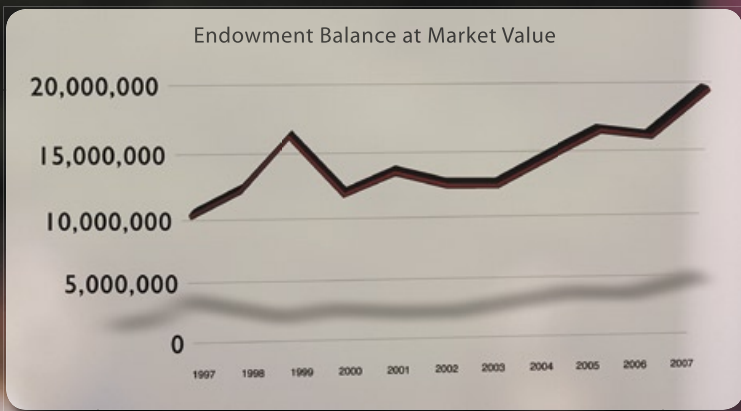

Your opportunity to Create a Legacy

During our 50-year history, there are individuals whose courage and faith have inspired our spirit and urged us to achieve things greater than we could imagine, not for today but for what tomorrow may be among those inspirational leaders of our early development is Rev. William Troy, S.J. The Troy Legacy Society recalls the leadership of Fr. Troy and recognizes those who choose to make Wheeling Jesuit University a part of their legacy.

Becoming a member of The Troy Legacy Society is as simple as making a commitment in support of the financial foundation of the University through your will, a gift annuity, retirement funds, life insurance policies, trusts or other planned gifts.

Your gift will serve to build the endowment of the University, for purposes of importance to you or to areas of greatest need. You might support the scholarship of tomorrow's students, or you might choose to support a program or academic major, or you might provide support that will maintain our Campus and facilities into the future.

Enjoy the satisfaction in knowing that you have perpetuated the meaning and value of Wheeling Jesuit University for the future!
