THE TROY LEGACY SOCIETY
Your opportunity to Create a Legacy

During our 50-year history, there are individuals whose courage and faith have inspired our spirit and urged us to achieve things greater than we could imagine, not for today but for what tomorrow may be among those inspirational leaders of our early development is Rev. William Troy, S.J. The Troy Legacy Society recalls the leadership of Fr. Troy and recognizes those who choose to make Wheeling Jesuit University a part of their legacy.

Becoming a member of The Troy Legacy Society is as simple as making a commitment in support of the financial foundation of the University through your will, a gift annuity, retirement funds, life insurance policies, trusts or other planned gifts.

Your gift will serve to build the endowment of the University, for purposes of importance to you or to areas of greatest need. You might support the scholarship of tomorrow’s students, or you might choose to support a program or academic major, or you might provide support that will maintain our Campus and facilities into the future.

Enjoy the satisfaction in knowing that you have perpetuated the meaning and value of Wheeling Jesuit University for the future!

Wheeling Jesuit University
For more information about the benefits of a planned gift for Wheeling Jesuit University, contact Brent A. Bush, J.D. at 304.243.2555 or bbush@wju.edu
I once saw this quote, and I keep it close: “Doubt sees the obstacles; faith sees the way. Doubt sees the darkest night; faith sees the day. Doubt dreads to take a step; faith soars on high. Doubt questions, “who believes?” Faith answers, “I.”

As we have entered into our second half-century of service, we have paused to reflect upon how this institution has grown from a dream into one of national reputation. Curriculum and our physical environment have changed to encourage our growth, yet our core values have remained unchanged, service “with and among others” based upon ‘faith’.

Over the last two years, increasing numbers of alumni and friends have made the University a priority in their personal philanthropy. They have answered “I.” We appreciate the faith they have expressed in Wheeling Jesuit. As we look to the future, it is to those who believe in us that we turn to for support. There is no shortage of need in the World, and philanthropic opportunities abound. We want to continue to make our case to you that Wheeling Jesuit, our faculty, administration and especially our students, are good stewards of your gifts and worthy of your support. Incredible things happen here because of your commitment. If you “BELIEVE” in what we do, and appreciate our role in ‘who you are,’ we would invite you to join with us in support of our students during 2007-08, especially as a new chapter of the University will be written upon the arrival of Julio Giulietti, S.J. as our eighth president. So join with me in 2007-08 with the exploding success of Wheeling Jesuit University.

If you have questions about the many ways in which you can support our mission, please contact me at (304) 243-2555, or email at bbush@wju.edu.

Thanking you for your faith in Wheeling Jesuit University, I remain,

Very truly yours,

Brent A. Bush
Vice President for Institutional Advancement
## Honor Roll 2007

### Making Dreams Come True

2006-2007 Endowed & Other Scholarship Funds

Over the years, alumni and friends of the University have shared their resources to establish funds which provide scholarships, prizes, awards and program support. These funds will continue for the life of the University, directly benefit deserving students, and support the future financial independence of our unique educational experience.

“Encouraging students to reach higher, dream larger, and work harder are things which our University faculty do everyday. As educators and administrators, we must also challenge ourselves, our alumni and others who also believe in what we do—to generously support our students in their growth. We must continue to acquire, upgrade and maintain the resources upon which we rely to carry out our primary mission—educating students for life, leadership and service. On behalf of our faculty and students, it is my pleasure to express our appreciation to all who support Wheeling Jesuit—your gifts are an affirmation that what we do matters, and has great value to our World.”

Dr. Mary Railing
Assistant Professor and Chemistry Department Chair
Chairperson, Troy Scholarship Committee

BELIEVE Campaign Success Applauded

Throughout the 2006-2007 fiscal year, our campus, alumni and friends around the world were asked to participate in the BELIEVE Campaign for the WJU Annual Fund, which directly supports the scholarship of our current students and the endowment.

The University enjoyed gifts, which totaled $2.3 million – $1.4 million was unrestricted and $923,261 was restricted to endowment or maintenance of our physical plant.

Alumni percentage of support surged from 19 percent in 2004, to 23 percent in 2005 to 26 percent in 2006. The number of gifts received from our committed alumni and friends totaled $1.1 million.

“The continued success of private, and selective, institutions of higher education is often the degree in which alumni and friends believe the institution’s mission and vision remains relevant. Their belief and conviction is shown by their gifts given in support of current operations and those plans which will mature in the future,” said Brent A. Bush, vice president for Institutional Advancement.

“The success of the 2006-2007 BELIEVE Campaign affirms that the alumni and friends of Wheeling Jesuit continue to believe in our institution, and the purposes for which it continues to exist,” Bush added.

“Therefore, in an effort to further unite all alumni and friends of the University for the 2007-2008 year, we ask you to continue to BELIEVE in Mission, Partnership and Hope, the core values of Wheeling Jesuit,” said Interim President Dr. James F. Birge.

Alumni Support Continues to Increase

Ninety percent of the University’s graduated classes increased their support during the “BELIEVE 2006-07” Campaign.

“Forty-four of our 49 classes increased their percentage of class participation,” said Lori B. Dougherty, director of Annual Giving. “Private, selective higher education is expensive to pursue and to provide. The support by our alumni of our students today in their quest for a WJU education is important, so this statistic for 2006-07 is especially satisfying.”

She added, “Everybody who has ever attended Wheeling Jesuit has been a beneficiary of support given to the University by somebody who believes in what we do. More than 97 percent of our students receive some level of financial assistance, which represents an annual commitment of almost $11 million by the University. We appreciate the continuing support of our alumni, especially as they respond to our annual mailings and our Phonathon callers.”
First Jacober Scholarship Recipient Announced

Dr. Gregory S. Merrick, leading international cancer treatment specialist and executive director of the Urologic Research Institute, and Dr. James F. Birge, interim president of the University, announced that Lydia DeLauder is the first recipient of a new scholarship.

The Jeffrey M. Jacober Scholarship Fund recently was established for students studying in the field of physics. The Jacober Scholarship was created by the family of Jeffrey M. Jacober, and will provide annual support to a WJU physics student while offering practical experience at the Schiffler Cancer Center at Wheeling Hospital.

A rising sophomore, DeLauder, is from Terra Alta, W.Va. She is a physics major and is active in campus activities and service.

The Jacober Scholarship is the second scholarship created by the Urologic Research Institute for a WJU student. Last year, a scholarship funded by Elekta, an international medical-technology group, was awarded.

“The special collaboration between the Urologic Research Institute and Wheeling Jesuit University is a unique model that demonstrates the rich learning that can happen when academic study and rigor is applied in practical experience. The vision of Dr. Merrick and his team improves our University, our community, and, in fact, the medical world as research and learning are brought together to combat the terrible disease that cancer is,” said Birge.

Wheeling Jesuit students and physics professors play a key role at Urologic Research Institute. In a unique relationship, University students are given an opportunity to work alongside medical professionals, performing innovative research and participating in practical treatment of patients with cancer.

The Schiffler Cancer Center, the Urologic Research Institute and Wheeling Jesuit University focus on innovative research methods directed toward the effective prevention, diagnosis, and treatment of prostate cancer and other urologic disorders.

The University has established a concentration in medical physics and dosimetry for physics majors. This concentration includes two courses taught by the Wheeling Hospital staff — one at Wheeling Hospital and one on campus.

“This is a rather unique opportunity for our physics majors, who will have opportunities to do cutting-edge research and internships at the hospital, and they will learn from the country’s leading urologic radiation oncologists. Patients from 32 states and 11 foreign countries have sought Dr. Merrick’s expertise for treating prostate cancer,” said Dr. Peter Ehni, chair of WJU’s Department of Physics.

“My team and I have been conducting groundbreaking research for years. In the Urologic Research Institute we have created an entity that will better allow us to promote, raise funds for and achieve our goals. We are grateful to Wheeling Jesuit University, and the Schiffler Cancer Center at Wheeling Hospital for helping to make this Institute a reality, and we congratulate Lydia on her selection as our first Jacober scholar,” Dr. Merrick said.

Jeffrey M. Jacober was founder and CEO of the Ocean Group, Inc. The Ocean Group served as an incubator for Jeff’s other companies. In fact, Medport LLC, established in 1999, is still a producer of medical accessories today. Jacober was an entrepreneur who started and sold companies since he was in college. His earliest companies included JJ Cover-Ups and SGI, Inc., both marketers of sports and leisure products.

A resident of Providence, Rhode Island, he and his wife Karen had three sons: David, Michael, and Eric. A graduate of the University of Rhode Island, he was committed to the Rhode Island community. Fundraising and philanthropy were most important to him.

In 2004, Jacober was diagnosed with prostate cancer and embarked on an exhaustive search to find treatment for his condition, becoming a patient of Dr. Merrick at The Schiffler Cancer Center. His intent, following his own experience, was to establish Male Educational Centers. Unfortunately, these plans never came to fruition due to the tragic accident that claimed his life along with his wife Karen, and their youngest son Eric. The scholarship established in his name recognizes his intent and belief that research is a key factor, and education is paramount.
Cardinal Callers Exceed Expectations

It’s after supper and the telephone rings. You are in the middle of something else, so do you take the call?

Gratefully, you answered the call from the 2006-07 Cardinal Callers and they once again thank you for your support of Wheeling Jesuit. This year the Callers raised a record $130,000. The Callers welcomed 138 new donors this year and welcomed 1,573 gifts to the University.

“The Phonathon has been, and continues to be our principal method of outreach, seeking the financial engagement of our alumni and their support of our student callers,” said Lori B. Dougherty, director of Annual Giving. “The Phonathon is a great way to maintain and update alumni records, and introduce today’s students who will join them in time as fellow alumni. The Phonathon is also a great way for us to keep our alumni and friends up-to-date on the many exciting things happening at the University.”

Troy Society, Early Jesuits Recognized During Founder’s Day

The University recalled important contributors, past and present, during its Founder’s Day celebration Friday, Feb. 9. During a Mass and special luncheon, the rich history of the University, and the legacies of those who made an impact were honored.

Annually, Founder’s Day commemorates the anniversary of the formal gift of 60 acres and the original three buildings by the Most Rev. John J. Swint, former archbishop of the Diocese of Wheeling. On Feb. 11, 1957, Archbishop Swint turned over the deed to all the college properties and the buildings to the Maryland Province of the Society of Jesus.

“During its first 50 years, Wheeling Jesuit University has been nurtured from a dream of courageous Jesuit priests into an institution of national reputation. We have not veered from the core values that were inspired by our pioneer educators – that the skills of intellectual development should be used in service for others,” said Dr. James F. Birge, interim president.

“Ours is a community that is resilient, a community that knew how to confront hard times, and a community that would welcome all who would seek to learn and to serve others. Our annual celebration of Founder’s Day keeps alive the visions and inspirations of those courageous men. An understanding of our past inspires our vision for the future — our brightest days are on the horizon and they will be upon us soon,” he added.

The celebration began with a noon Mass, celebrated by Fr. Jim O’Brien, S.J., associate professor of philosophy and longtime member of the Jesuit community.

Immediately following Mass, the University paid special tribute to the members of its Troy Legacy Society — those individuals who make the University a priority in their estate planning, assuring the future financial independence of the University.

During the luncheon in the Center for Educational Technologies, Vice President for Institutional Advancement Brent A. Bush read the roll call of donors who are members of the Troy Legacy Society and inducted several new members. Dr. Birge also gave an update on the University and thanked all the Troy Society members for attending.

Sr. Joanne Gonter, VHM ’59 spoke on the impact Rev. William Troy, S.J. had on those first classes and the University as a whole. Troy, the first president of Wheeling Jesuit, led the college from 1959-66. Andrew Fenton ’04, talked on why he supports Wheeling Jesuit and how to become a legacy society member.
Hacala Legacy of Service Endowed

Rev. Joseph R. Hacala, S.J., the seventh president of the University, died on Feb. 19, 2007 after a short bout with amyloidosis, a rare disease for which there is no cure.

At its March 2007 meeting, the Board of Directors announced the establishment of the Hacala Family Scholarship Fund at Wheeling Jesuit University. The purpose of the fund will be to annually, and perpetually, distribute funds in support of Wheeling Jesuit University students who have demonstrated aptitude and leadership in the areas of social justice and empowerment, especially in the Appalachian Region. Special consideration will be given to those students who are inclined to education and service as a lifetime calling.

Contributions to the fund have exceeded $120,000. The class of 1967 made The Hacala Family Scholarship Fund a part of its class gift in 2007, in honor of its 40th reunion.

Additional contributions may be directed to the Office of Institutional Advancement, in care of The Hacala Family Scholarship Fund, or may be made on-line at www.wju.edu/alumni.

“The income from The Hacala Family Scholarship Fund annually will support the scholarship and service of a deserving student or students. The example of service which Mary Hacala presented to her children, and concern and compassion which Fr. Hacala and his siblings have given to others in her example, will be forever recalled by this fitting memorial. Generations of aspiring teachers will be rewarded for their commitment to public service.” said Brent A. Bush, vice president for Institutional Advancement.

Meet the Institutional Advancement Team

Janet Nolan, administrative assistant for Institutional Advancement; Sharon Clausell, coordinator of Advancement Services; Maureen Zambito ’96, director of University Relations. Absent: Denise L. Evick, coordinator of Prospect Research and Phonathon.

It’s Easy to Give – www.wju.edu/alumni

The Office of Institutional Advancement recognizes the needs of our donors to have a more flexible, convenient, and simple way to make financial gifts. By simply clicking on the “Make Your Gift Online Today” link on the WJU Web site, you can make secure, credit card donations over the Internet.

You are one click away from changing the life of a student. A gift today will allow WJU to continue its mission of educating men and women for life, leadership and service, with and among others. We hope you find this new option useful and we welcome your feedback.

Thank you for your continued support of Wheeling Jesuit!
During Alumni Weekend 2007, several classes celebrated their reunions by making special presentations to the University in honor of their milestones.

The Class of 1967 gift was $25,723, with 55 percent of the class participating. Gifts from those class members were allocated to the WJU Annual Fund, The Vicky DiPiero Diversity Scholarship Fund and The Hacala Family Scholarship Fund.

The Class of 1982 celebrated its Silver Anniversary Reunion by presenting to Interim President James F. Birge a facsimile check in the amount of $44,862.

“The sincere participation of these classes in their reunion gift is special because it affirms that our alumni become increasingly appreciative over time as they realize that their experience at Wheeling Jesuit profoundly influenced their lives,” said Brent A. Bush, vice president for Institutional Advancement. “Our alumni have realized that gifts today are down payments on the possibilities for a better world tomorrow, as they support the mission and vision of this wonderful place.”

The Office of Alumni Relations has selected June 20-22, 2008 as the dates for next year’s Alumni Weekend. Anniversary celebrations will begin with the Class of 1963 and continue through 2003. While all alumni are welcome and encouraged to attend, special focus is given to the five-year reunion classes.

“My classmates are unable to be present at Alumni Weekend to celebrate a reunion. Participation in a class gift project is a great way for everyone to become part of the celebration as milestones and memories are achieved and savored,” said Lori B. Dougherty, director of annual giving. “As planning is already under way for Alumni Weekend 2008, our goal is to support the reunion classes of 1963 (45th) and 1983 (25th). We hope they will encourage their classmates to increase the percentage of those who support the University as a special commemoration and celebration of their common heritage at Wheeling Jesuit during their anniversary year.”

Matching Gifts Increase The Value of Your Gift

Your gift to Wheeling Jesuit University might be more valuable than you think!

Many employers today want to partner with their employees in support of their favorite nonprofit organization. In fact, more than 500 companies and corporate foundations currently match their employees’ charitable gifts.

If your employer sponsors a “matching gift” program, your gift will be matched in some proportion by your employer, often dollar for dollar. You can see that a matching gift from your employer is an important and easy way to multiply the impact of any contribution that you make.

Corporate matching-fund gifts are an important source of revenue for Wheeling Jesuit University’s Annual Fund. In some cases, corporate support matches, doubles, and even triples the gifts we receive from their employees.

If you are interested in partnering with your employer to make a matching gift contribution to Wheeling Jesuit, inform your human resources department. After you complete the appropriate form, return it to:

Wheeling Jesuit University,
Office of Institutional Advancement
316 Washington Avenue, Wheeling, WV  26003
Attention: Sharon Perry
We will remit the form to your employer. If you have questions about matching gift companies, contact Sharon Perry at (304) 243-2181.
Strategic Planning Advances

After months of focus-group meetings, surveys and information gathering, the University’s Board of Directors adopted a draft 2007-2010 Strategic Plan on March 9 at its annual retreat and quarterly meeting.

The Strategic Planning Process’ focus groups, integrated task forces and advisory groups had met over an 18-month period and the Strategic Plan contains many of the ideas and suggestions that emerged from the planning process.

“The University is grateful for the hundreds of people from all its constituencies who shared their time, insights and energy to the process. Such engagement ensures the process’ quality, meaning and support as a harbinger of the University’s bright future,” said Interim President James F. Birge after the Board’s action.

Begun in 2004, the process began with a listening phase, initiated by a mandate from then-President Rev. Joseph R. Hacala, S.J. and Board Chair Col. Carol A. Yarnall ’63, USAF (Ret.) for an institutional vision and plan that would position the University among emerging elite young universities. Dr. Birge and Dr. Frederick Lambert were tapped to develop the continuing phases of the project. Several areas of opportunity emerged from early meetings – University educational processes; University growth; University outreach; University finances and operations; University governance, assessment and accountability. Final goals and objectives of the 2007 Strategic Plan became:

- Enhancing the Common Educational Experience
- Growing Enrollment and Regional Presence
- Funding Our Future
- Increasing Campus-wide Collaboration
- Establishing a Marketing Orientation

According to Dr. Birge, “Achievement of the ambitious, yet realistic, goals of the Strategic Plan will enable us to fulfill the charge of the Board of Directors to develop a plan which would better position and prepare the University for future increased enrollment, which will be driven by high quality educational experiences. It will be the special challenge for me, and our new President, Julio Giulietti, S.J., to administer the University with the objective guidance offered by this living and evolving blueprint for the future. Our success will require the collaboration, support and investment of all of our constituencies -- internal and external.”

For more information and to review the complete text of the 2007-2010 Strategic Plan, visit www.wju.edu.

Parents and Grandparents – Leave a Legacy, Continue a Family Tradition

WJU offers to you a new way to save on future college costs.

Wheeling Jesuit University, through an arrangement with the private Independent 529 Plan, which is administered by TIAA-CREF, offers you an opportunity to purchase future tuition at today’s lower prices. To say it another way, you can purchase guaranteed future tuition benefits at discounted prices today, protecting yourself from annual tuition inflation, the effects of income taxes and with no investment risk.

This plan is superior to other “college savings plans” or uniform gifts to minors that are widely promoted programs. While acceptance is not guaranteed, this provides paid-up units of tuition for your child or grandchildren to attend Wheeling Jesuit University, or among other private participating colleges.

Want to know more? Contact Brent A. Bush, J.D., vice president for Institutional Advancement at (340) 243-2555, or get complete details at www.independent529plan.org.
Former Board Member Anthony C. Woomer Dies

Former Wheeling Jesuit Board of Director Anthony C. Woomer, died April 15, 2007 in Louisville, Ken. Woomer also was the benefactor of the Anthony C. and Catherine Woomer Charitable Remainder Trust and member of the WJU President's Circle.

Woomer served on the Wheeling Jesuit board from 1980 to 1988. In addition, Woomer endowed a medal to be given each year at commencement. The Woomer Medal is given annually to a graduating female student who best exemplifies academic achievement and service to the University. The Woomer Medal is given in honor of his mother, Mary.

The son of the late Jerome and Mary Woomer, he was born in Boyce Station, Pa. Raised in Wheeling, he graduated from Central Catholic High School in 1950 and Villanova University in 1954. He married Catherine McCormick and after college, he served in the Army for two years. His career in the coal industry began as a sales representative with Consolidation Coal in 1956. In 1973, Woomer became executive vice president and chief operating officer for Industrial Fuels Corporation in Detroit.

He and his family moved to Lexington in 1977, where he served as president and CEO of General Energy Corporation until 1987. Woomer was elected into the coal industry’s “Old Timer’s Club” in 1981. Throughout the 1980s and 90s, Woomer’s interests were with N&W Coal Sales and DLM Coal Corporation.

He was preceded in death by his sister, Nancy Gompers; and brother, Timothy Woomer.

Surviving are his wife of 54 years, Catherine; his eight children, Judith Woomer Keating, Matthew Woomer and Joseph Woomer of Lexington, John Woomer of Grand Rapids, Mich., Katie Guido and Andrew Woomer of Cleveland, Ohio, Nancy Sidow of Piedmont, Calif., and Susan Schneid of Pittsburgh; 23 grandchildren; and siblings, Joan Hamm, Michael Woomer, Molly O’Malley, and Patrick Woomer.

The Mary Woomer Medal, reflecting both academic distinction and service to the University, represents the crowning achievement for a female student at Wheeling Jesuit University. A minimum 3.0 grade point average is required for eligibility. A vote of full-time faculty and administrators of the University select the recipient each spring.

“The class valedictorian is selected on the basis of scholarship alone, and the Katherine Fouts Medal honors service without regard to academic performance. The Woomer Medal, in celebrating both areas of achievement, represents the highest award given to a female student by the officers and faculty of Wheeling Jesuit University,” said Academic Dean Dr. Letha Zook.

Recipients of the Woomer Medal are:

Mary J. Sponseller ’59
Sandra A. Piper ’60
Jane W. Straub ’61
Betty J. Barnes ’62

Megan Burd ’07
There are many reasons people make charitable gifts to Wheeling Jesuit University.

For example, a person who has a hefty tax liability may make a year-end gift to ease the tax burden. Another person may give to obtain a charitable gift annuity and gain a lifetime flow of income at a respectable rate. Another person may be influenced to give by a friend or family member. And still someone else may be influenced to give out of a sense of duty.

But the overwhelming reason that people provide financial support to Wheeling Jesuit is because they believe in what we are doing and want to help us fulfill our mission. They invest in Wheeling Jesuit because they want to help fulfill our mission today and expand it for tomorrow.

This is especially true for donors who make planned gifts. Such gifts involve estate assets and often include legal documents. They can be made during life or deferred until a later time. They can be used to create endowments or to provide funds for building or operational needs. Such gifts are not made lightly; they require thoughtful planning and sound rationale.

All of this explains why we like to sit down with alumni and friends to talk about the good things happening at Wheeling Jesuit. We like to share our successes—the results of good planning, wise stewardship and solid leadership—and discuss our goals and plans for the future.

How much do you know about Wheeling Jesuit? Do you know enough to determine whether it is an organization you want to support with a will bequest or some other kind of planned gift? Would you like to learn more?

Brent A. Bush, J.D., vice president for Institutional Advancement, is available to visit and discuss with you your goals and aspirations for Wheeling Jesuit. He will answer your questions and provide information on Wheeling Jesuit today and its exciting plans for the future.

To arrange a visit with Bush, or to obtain current information and other literature about Wheeling Jesuit, use the handy response form below or call us at (304) 243-2555 or (800)888-2586. You can also learn more about Wheeling Jesuit by visiting our Web site: www.wju.edu.
