2008-2009
Honor Roll of Donors
Dear Alumni & Friends,

On behalf of Wheeling Jesuit University, I am honored to acknowledge and thank the many donors who have chosen to support the University through corporate, foundation, and individual donations. Your support ensures that our Jesuit ideals and mission, to be men and women for and with others, remain vibrant today and for generations to come.

As a 1966 alumnus, I hope you will join me in embracing the many good works that are happening at Wheeling Jesuit. We are blessed with outstanding students, employees, and alumni, and our academic programs and facilities are second to none. As I read through the many names listed in the 2008-2009 Honor Roll of Donors, I am grateful that so many believe in what we are doing at Wheeling Jesuit and have shown their support by giving back to our University.

Now more than ever, our students need all the support that we can provide, and every donor is an integral part of our collective success. Given the increasingly important role that private support plays, every gift, no matter the size, is especially meaningful.

I applaud you, our donors, for your commitment, as your gifts positively impact our students – the future leaders and innovators of our World. It is my hope that you continue your generous support of Wheeling Jesuit in the coming year.

I invite you to return to our beautiful campus and participate in as many events and programs as your busy schedule permits. Together we will continue to make a difference in the World and in the lives of the students who cross our campus.

Again, please accept my sincere thanks for your generous support.

Sincerely,

J. Davitt McAteer ’66

Wheeling Jesuit University announced in May a new scholarship fund has been seeded through the generosity of the Aluise Family of Huntington. The Aluise Family Scholarship will fund scholarships to qualified St. Joseph’s Central Catholic High School graduates.

“We thank the Aluise family, especially Joe and his son John for their forward thinking action. This scholarship will go on forever,” said Kelly Klubert, director of Alumni Relations. “These two men show extraordinary vision, generosity and commitment to their hometown, their high school, and to Jesuit education, and we thank them."

The announcement was made May 29 at Huntington St. Joseph’s and both donors attended the event. Two members of the Huntington St. Joseph’s class of 2009 were chosen to receive this year’s scholarship — Maria Phillips and Joseph Burgett.

A longtime resident of Huntington, Joseph Aluise said that 22 members of his family have graduated from St. Joseph’s.

“Because we have a longstanding relationship with St. Joseph’s, we wanted to do something appropriate to benefit our parish and school in a unique way,” explained John Aluise, a retired professor from the University of North Carolina and a 1964 graduate of Wheeling Jesuit. “For those of us who had an opportunity to earn our education at WJU, we received far more than a typical college education. We received an education in values.”

John Aluise received his doctorate from the University of North Carolina in 1982, and was on the faculty in the UNC School of Medicine for 17 years as a healthcare management educator. He also spent 25 years of his career working with Dr. Edward Shahady ’60, to develop Family Medicine education programs at Akron City Hospital and the University of North Carolina. He now does organizational consulting.

“In business, if you really want to satisfy your consumer you offer more than you promise. Wheeling Jesuit University offers more than just a college education, it delivers an opportunity to mature. I’m pleased to be able to assist others to have the chance I did in college.”

He also mentioned that the family had a recent graduate from the University, his cousin, Huntington resident Dennis Cole, who is a member of the class of 2006.

“We hope this scholarship will benefit others so they too can realize the Jesuit difference in education,” he said.

The scholarship fund is open to other Huntington residents, friends and donors and welcomes further charitable gifts. Those who would want to contribute to the fund should contact the Wheeling Jesuit University Office of Institutional Advancement at 304-243-8141 or 1-800-888-2586.

Members of the Philadelphia Alumni Chapter awarded the first Rev. Charles Currie, S.J. Philadelphia Alumni Scholarship this summer to Tommy Pie’ of St. Clairsville, Ohio.

After more than a decade of fund raisers, the group reached the $25,000 level and made the initial award to the student during the 2009-10 academic year.

The Philadelphia Chapter will award the scholarship annually to the child, grandchild, niece, or nephew of a Philadelphia alumnus/a. The applicant also must reside or have resided in the Pennsylvania Southeast/five county region for more than 50 percent of his or her life. In the event there is not a candidate from the Philadelphia area, the Chapter will consider a legal child, grandchild, niece, or nephew of a Pennsylvania resident. Preference will be given to students who are juniors or seniors at the University.

“We are so pleased to make this first-ever award to Tommy Pie’, the son of Tom Pie’ ’77, a Philadelphia native. He is a deserving student whom we know will excel in the classroom and be involved in the lifeblood of the campus,” said Marguerite Fritsch, treasurer for the alumni chapter.

Acting President J. Davitt McAteer said, “We are grateful to all those who helped make this scholarship possible. This is a very beautiful gift from our Philadelphia alumni and we hope other alumni chapters will follow their lead to help deserving students attend Wheeling Jesuit.”

Selection for the 2010-11 scholarship recipient will begin in January 2010. Any alumnus/a from the Philadelphia area with a legal child, grandchild, niece or nephew interested in attending Wheeling Jesuit University is encouraged to request an application for the scholarship. Contact the WJU Financial Aid Office or the Alumni Office at 1-800-888-2586 or alumni@wju.edu for more information about the scholarship.

Class of 2009 Fund Raising Efforts A Success

Members of the class of 2009 launched their fund raising efforts in March 2009 during the annual Grad Fair.

Class representatives asked their peers to recognize the value of their Jesuit education and to feel inspired to give back to their alma mater. They were determined to raise the bar of participation among young alumni. Thanks to their efforts, the class collected pledges totaling $6,750.

The Cardinal 5 Society is a group of seniors who have committed to give $10 each year during the next five years for a total gift of $50.

“Members of the senior class wanted a way to thank our faculty and staff for the support and direction that we received during the past four years—Cardinal 5 gives them the opportunity to participate and support their alma mater,” said Valerie Grimes ’09, past student government president.

Three new members of the Cardinal 5 Society.

Matching Gifts Increase the Value of Your Gift

Your gift to Wheeling Jesuit University might be more valuable than you think.

Many employers want to partner with their employees in support of their favorite nonprofit organization. In fact, more than 16,000 companies and corporate foundations currently match employees’ charitable gifts.

Corporate matching-fund gifts are an important source of revenue for Wheeling Jesuit University’s Annual Fund. In some cases, corporate support matches, doubles, and even triples the gifts we receive from their employees.

If you are interested in partnering with your employer to make a matching gift contribution to Wheeling Jesuit, inform your human resources department. After you complete the appropriate form, return it to:

Wheeling Jesuit University, Office of Institutional Advancement
316 Washington Avenue, Wheeling, WV 26003
Attention: Sharon Perry

We will remit the form to your employer. If you have questions about matching gift companies, contact Perry at (304) 243-8172.

*Deceased
During its 25th anniversary in 1999, members of the class of 1974 set a goal to establish and fund a scholarship to benefit deserving students attending Wheeling Jesuit.

During Alumni Weekend 2009, the class announced it had endowed the scholarship and plans to continue to build on the $23,500 total over the next five years. The class has set a goal to increase the scholarship endowment to $50,000 by its 40th class reunion in 2014.

Lead by Hugh Keany, John Giese and Jim Osborne, the class plans to continue building the endowed scholarship so that more money can be awarded. They are forming a larger committee to work with classmates during the next five years to achieve their goal.

Giese said, “I remember Hugh at the podium (in 1999) pledging the initial amount. His enthusiasm and commitment got everyone to back the idea. Well, it took a little longer than anticipated, but we hung in there and our classmates came through!”

The first Class of 1974 Scholarship recipient will be awarded in the summer of 2010.

Alumni, friends and faculty giving to Wheeling Jesuit University resulted in a total of $1,301,073 during the 2008-2009 fiscal year. Wheeling Jesuit alumni donated more than 28 percent of that total – a 7 percent increase from last year.

WJU faculty, administration and staff, through their generous contributions, awarded $22,000 in scholarship funds. Twelve students in financial need received $2,000 each towards their tuition, many of whom would not have been able to return if not for the support of WJU employees.

Wheeling Jesuit University extends its thanks to all who gave during the 2008-09 campaign. With the continued partnership from alumni, friends and faculty, the University can continue to support Wheeling Jesuit students and their dreams to make the community and world a better place.
Troy Legacy Society

Your Opportunity to Leave a Lasting Legacy

Wheeling Jesuit’s planned giving initiative — “Celebrating the Past... Securing the Future” welcomed seven new members since its launch in the fall of 2008.

This endowment project is focusing on members of the classes of 1959-1968, by encouraging them to include WJU in their estate making plans. Through the efforts of class representatives, members of Wheeling Jesuit’s earliest classes are responding.

As of June 30, Wheeling Jesuit has more than 50 members of the Troy Legacy Society.

Becoming a member of the Troy Legacy Society is as simple as making a provision in your will, gift annuity, retirement funds, life insurance policies, trusts or other planned gifts that will someday result in a gift to the University’s endowment.

A WJU education instills students with the passion, knowledge, and purpose, not only to do great things — but extraordinary things.

Your generosity further enhances the University’s mission of providing a Jesuit education to students who otherwise could not afford it. In other words, your gift can be viewed as a safe investment in a WJU education.

We hope that you will come back to campus soon to see how your contributions have made a difference!
