WELCOME!

Students and Families of the Class of 2019
and New Transfer Students

Dear New Student,

Congratulations — your college search is over! We’re so happy you’ve decided to make Wheeling Jesuit University your college home. Here on campus, educating students for “life, leadership and service” is more than just a tagline — it’s a way of life. You’ll be supported in not only your academic achievements, but also in your out-of-class activities; we look forward to helping you find the best venue to lead you to the kind of college experience you’ve been dreaming about.

Before you immerse yourself in this journey, we want to give both you and your family the necessary tools for a smooth transition to college life. The information you’ll receive at your New Student Orientation is intended for this purpose. We hope this booklet will serve as your primary “go to” source whenever you have a question. Please keep it with you throughout orientation since it will be referenced often. By following along, you’ll come to know how to best use this booklet. Plan to continue to use this booklet throughout your first semester on campus. After you’ve adjusted to campus life, you may reference it frequently or go months without feeling the need to; either way, you’ll know it’s available.

Perhaps you’ve noticed that this letter and the language in the book is addressed to you — our new student. This is intentional because you are on the brink of writing the story of YOUR college experience. We hope your families will play a vital support role in your college journey and that they will have this book available to them as a resource as well. Though your success at college is ultimately determined by your own actions, partnering with your family will be an important part of your Wheeling Jesuit experience.

A few words about your New Student Orientation. Take this time to envision what kind of college experience you want to have. Take advantage of the many people you’ll be meeting and ask questions whenever you’re unclear about something. Our amazing group of Luceats, upperclass students who were in your shoes not long ago, will be a valuable resource for you. These student leaders have excelled here at Wheeling Jesuit and are eager to share with you what they’ve learned and to help you adjust to Wheeling Jesuit University — just as they were helped by others.

Please contact us in the Dean of Students’ Office should you need assistance and are unsure where to start (Swint Hall, Room 209, 304.243.2350).

Enjoy your time on campus as you embark on your Wheeling Jesuit University experience — we are so glad to have you join our campus family!

Best wishes,

Student Development Team

Pre-Arrival Clearance Checklist

There are several things that need to be completed prior to your arrival on campus. This checklist outlines the items that need completed in order to print your “Clearance Pass.” In August, prior to your participation in New Cardinal Days (required for all first-year students) and prior to moving into campus housing, you will be asked to present this Clearance Pass to let university officials know that you have completed all of your pre-arrival requirements. If you are not sure if an item applies specifically to you or have questions, please contact your admissions counselor.

If you need electronic copies of forms, you can find them at wju.edu/admissions/accepted/. A complete list of usernames and passwords can be found on page 11.

☐ Complete and mail in your two-sided pre-entrance health forms (see forms).
  ☐ Complete your online Campus Housing Application at housing.wju.edu.
☐ Submit your Final Official Transcripts to your admissions counselor (high school and college/university).
☐ Complete Financial Aid Requirements (see financial aid, page 6).
    ☐ Review your Financial Aid Award Letter.
    ☐ Sign your Master Promissory Note for Federal Financial Aid.
    ☐ Complete your Entrance Counseling for Federal Financial Aid.
    ☐ If selected for Verification, complete and/or submit the required paperwork.
☐ Check your Cardinal Email Account on a regular basis (email directions on page 8).
☐ Complete the “Think About It” Course (course description on page 6).
☐ Log into “Academus” to view your billing statement (directions on page 9).
☐ Pay your bill or sign up for payment plan by late July.
☐ Make sure to clear your schedule for New Cardinal Days (mandatory for first-year students only) — Thursday, August 20 - Sunday, August 23, 2015.
☐ Print your “Clearance Pass” from the “Academus” main menu.

Financial Aid Clearance

If you have any questions about your Financial Aid or completing any of these requirements, please contact financial aid at 304-243-2304.

Review your Award Letter

Financial Aid Award Notifications are emailed to the student’s WJU email address. They show the financial aid awarded for both the fall and spring semesters. It is important to check housing and enrollment status. Outside scholarships will appear on award notification once we receive notification from student or organization/agency. If you have any questions about your award letter, please contact financial aid at 304-243-2304.
Entrance Counseling and Promissory Note
It is very possible that you completed these requirements at orientation. If that is the case you can check these off the list. However, if you did not complete them at orientation, or did not attend orientation both the counseling and the signing of the Master Promissory Note can be signed online at www.studentloans.gov. You will need your FSA ID pin to sign in. If you are taking out a Perkins Loan, a separate Promissory Note will need to be signed for the Business Office. This needs to be done prior to arriving on campus in August.

Verification
There are times when students are selected to complete an additional step in the financial aid process. If you are selected for verification by the US Department of Education you need to complete a WJU Verification Worksheet, which can be downloaded at www.wju.edu/admissions/finaid/docs. You must also request an IRS tax transcripts by one of five options:

+ Phone: 1.800.908.9946
+ Online: www.irs.gov
+ FAFSA IRS Data Retrieval Tool

Think About It
We know you’re excited about being a student at Wheeling Jesuit University. To help create a safe environment for you and other students, you must complete an online course at Campus Clarity. In the course, you will examine the interconnected issues of hooking up, substance abuse, sexual violence, and healthy relationships through a variety of interactive, realistic scenarios and guided self-reflection. The course promotes a healthier and safer campus environment for everyone. You will receive an email at your “WJU Cardinal Email” address in early July. This email will give you detailed instructions as to how to sign up and complete the course prior to your arrival in August.
Student Accounts Clearance

+ It is vital for your account to be cleared by the Student Accounts Office by the last Wednesday of July (for fall semester registration) and the last Wednesday of October (for spring semester registration).

+ The Student Accounts Office gets incredibly busy at times; you are encouraged to plan ahead. If there are issues with your account, please speak to us as soon as possible and not wait until the due date approaches.

+ These are a few of the common concerns that students have encountered:
  
  + Missing the deadline date for registration and move in.
  
  + Family financial difficulties. It’s important for parents/guardians to openly share the experience of paying for college with their students.
  
  + Munch Money — when paying online to add munch money (i.e. a declining balance that can be used in our dining facilities) to your Cardinal card it may take up to 2 weeks for it to be activated; contact Student Accounts for quicker activations.
  
  + There has been confusion where to submit payments online.
    
    • Direct payments: To make a onetime direct payment to Wheeling Jesuit University, go to our website wju.edu/businessoffice/onlinepayments.asp.
    
    • Payment Plan payments: If you have an ECSI payment plan and will be making monthly payments without automatic withdrawal from your account, the payment must be made to ECSI in one of two ways: 1) by mailing a check or 2) online at ecsi.net.
  
+ Student auto registration (i.e. vehicle permits); please allow 2 weeks for this to appear on your statement after registering your vehicle.

+ Your clearance pass will not be available to print until the first Monday of August. You need to make sure there are no holds on your account in order to print the clearance pass. You will not need to present your clearance pass until you move into campus housing or the first day of classes (commuters).

+ If you have any concerns or problems similar to those listed above, please contact the Student Accounts Office as soon as possible for assistance.

+ Returning students will receive a paper statement by the end of April (for the fall) and by the end of November (for the spring).

+ New students and incoming transfer students will receive a paper statement by the end of June (for the fall) and by the end of November (for the spring);

+ Students have access their account at all times through Academus and should monitor it at least once a week and communicate openly with anyone helping them to pay for college.
WJU Cardinal Email

Cardinal Email is powered by Google, so if you have a Google Mail account you will know how to navigate through the system. If you do not have a Google Mail account, there is a quick tutorial that will help you when you first login. For additional assistance, links to usage guides can be found at www.wju.edu/its/googleappstutorials.asp

It is important that you check your Cardinal Mail account frequently. Many offices at Wheeling Jesuit use this account to send you important information. The easiest way to get to your Cardinal Email account is to access the Cardinal Page at cardinal.wju.edu. Once on this page you will click on the “Cardinal Email Login” found on the left side of the screen.

On the next screen, make sure you enter your entire email address, not just your username. There is a reminder on the screen next to the login window. When you log in for the first time you will need to accept the terms and conditions and then there should be a quick tutorial on how to use your new Cardinal Email account.

Please see “Username/Password Information for University Systems” for how to set up your email.
Academus

Academus Online is a student-centered portal that allows students to easily access information from different departments at Wheeling Jesuit University including Academics, Student Accounts, Registrar, and Financial Aid. Students also register for courses through Academus Online.

To use Academus it is easiest to go to cardinal.wju.edu and click “Academus Online.”

Click on “Log In” tab at the top right.

Enter your User ID (the first part of your email address before the “@”) and your password (the last 4 digits of your social security number). If you changed your password at orientation and forget your email, you can request a password change at helpdesk.wju.edu.

Click on the “Students” tab.

You will then see your main student menu. Feel free to navigate through the menu and see what information can be accessed.
Get to know Academus. You will use it to look at financial aid, schedule classes, register for a parking permit, pay your bill, and for many other reasons. You will also print your Clearance Pass from this screen (lower Left of the page).

To see your Financial Balance/Statement (bill), click on “WJU Statement on the Web” and then click the “submit” button. You will also see that there is a link directly below the “WJU Statement on the Web” that directs you to make credit card payments.

You also can view financial aid information, including your award letter and any information on documents that you may need to submit to the office. The two links in the financial aid section, allow you to view your aid status by term or your award letter for the year. To see your Financial Aid displayed by term, click “Financial Aid Status by Term,” select your term and then hit the “submit” button. To see your yearly financial aid award letter, click on “Financial aid award letter,” choose your term, and then click the “submit” button.

You will see links at the bottom of your award letter directing you to important information, the cost calculation estimator (which gives you an estimated out-of-pocket amount), and needed verification documents. Please be sure to check each of these links.

To view your schedule, click on the “schedule” link under “Academic Profile” on the main student menu. You will then be able to see your schedule.
Username/Password Information for University Systems

Cardinal Online
cardinal.wju.edu

Cardinal Online is the campus portal for online information. Links to email and other important systems are found here, as well as announcements, news, and campus events. It is recommended to make Cardinal Online the homepage for your Internet browser. There is a shortcut for all these systems on Cardinal Online.

Student LoginID
Your Student LoginID is used for Email, Academus, Blackboard, OrgSync, and WiFi. Your LoginID is your first initial, followed by your complete last name, followed by the last three numbers of your StudentID Number. (i.e. jsmith123) Your default passwords are noted below; you may have already changed them if you started using your accounts. If you have changed them and do not remember them, you can change them with the directions at the end of each section.

Email: Cardinal Mail
+ Your email address is your Student LoginID followed by @cardinal.wju.edu. (i.e. jsmith123@cardinal.wju.edu) Use your Student LoginID to login to the Cardinal Mail system from Cardinal Online.
+ Your initial email password and reset password (if requested) is 8 characters long: 4 zeroes followed by the last 4 of your SSN. (i.e. 00009876)★
+ To submit a password reset, please go to helpdesk.wju.edu.

Academus
+ Use your Student LoginID to login to Academus from Cardinal Online. (i.e. jsmith123)
+ Your initial Academus password is 4 characters long: the last 4 of your SSN. (i.e. 9876)★
+ To reset your password, click on the “What’s my password?” link in the lower right-hand corner of the screen.

Blackboard
+ Use your Student LoginID to login to Blackboard from Cardinal Online. (i.e. jsmith123)
+ Your initial Blackboard password is 4 characters long: the last 4 of your SSN. (i.e. 9876)★
+ To reset your password, click on the “Forgot your password?” link on the login screen.

★INTERNATIONAL STUDENTS: Please substitute “the last 4 of your SSN” with “0316.”
Academic Resource Center – ARC

Ignatius Hall, Ground Level
304.243.4473 + wju.edu/arc

The ARC is a place where all Wheeling Jesuit students can improve academic skills, learn how to excel in the classroom and test ideas. All services are free, and students can call or stop by the ARC to set an appointment with a faculty-recommended peer writing tutor, math tutor, subject tutor or with a professional staff member for assistance.

ARC Hours
+ Monday-Thursday 10:00 a.m.– 9:00 p.m. + Saturday CLOSED
+ Friday 10:00 a.m.– 2:00 p.m. + Sunday 6:00 – 9:00 p.m.

Come to the ARC to take advantage of one or more of the following services:

**Individual Tutors for Writing Skills**
The ARC has experienced writing tutors available to help with writing assignments in a wide variety of courses and through every step of the writing process. You can work with a peer writing tutor to clarify your ideas, organize your paper or fine-tune your writing and writing projects. Writing tutors can also help you with strategies for honing your writing skills and becoming a more effective writer.

**English as Another Language**
If English is another language for you, the ARC has specialized tutors to meet your writing needs. Our expert tutors can assist you as you work through stages of the writing process — from clarifying and organizing your ideas to putting your finishing touches on your writing project.

**Subject Tutors for Successful Learning**
The ARC offers tutoring for a wide variety of courses — Anatomy, Spanish, Math, Chemistry, Philosophy — and many more! Stop by or call the ARC to set an appointment for individual or group tutoring or to find when that next study group for your course will meet.

**Individual Assistance and Computer Software Tutorials**
Does it seem that there are just not enough hours in your busy, college-life days? Do you feel totally nervous right before, during or after a test? Are there some areas in which extra practice is just what you need? The ARC is here to the rescue! Individual assistance in time management, study skills and other learning-to-learn skills is available, and we have many computer software tutorials that will help you uncover those long-forgotten skills (what is a comma splice, anyway?)

**Super-Secret Computer Lab**
The ARC’s computer lab is the best-kept secret at Wheeling Jesuit University. We have several computers (equipped with university-installed software) for student use, plus subject-specific tutorial software and test preparation software for the GRE, MCAT, LSAT, GMAT and TOEFL examinations.
Getting to the ARC
Schedule an appointment with a tutor ahead of time, either in person (visit the ARC receptionist desk) or by telephone. When you schedule an ARC appointment, you will be asked for information that helps the tutor prepare for the session, such as the nature of the assignment and what you hope to accomplish during your tutoring session. The more specific you are in providing this information, the more prepared your tutor can be. After the appointment, the tutor can send a brief report to your professors, if you wish, to let them know you are a committed student who is seeking some assistance to master the assignment or the course.

Tie a String Around your Finger — and Don’t Forget to...
+ Seek help before the first sign of trouble.
+ Come prepared to your tutoring appointment. Bring class notes, textbooks, homework attempts, printed copies of your paper — anything that may help you and your tutor during your session.
+ Be patient. Rome wasn’t built in a day. You can’t write a quality, six-page paper in an hour. And not every problem can be settled during a single session. You may feel that your challenges lie in certain areas, but the tutor may notice that you also need to develop some additional skills in other areas as well.

For additional information about ARC services and to view the current listing of ARC tutors and their tutoring schedules, check us out on the Web at wju.edu/arc. Remember, the number to all is 304.243.4473.

Director for Undergraduate Student Success
Acker Science Center, Room 112G
304.243.2172

The Director for Undergraduate Student Success is dedicated to helping undergraduate students succeed academically and persist to graduation. As coordinator of First-Year Seminar, the director’s goal is to help students make the academic and social transition from high school to college by strengthening the skills needed to succeed in college and by fostering bonding with others in the WJU community. In addition to coordinating FYS, the Director is available to assist transfer students, commuters, veterans or any other undergraduate students facing academic adjustment issues.

The Director also coordinates an early warning system for students demonstrating at-risk behaviors, such as missing class, failing to hand in assignments or doing poorly on exams. By reaching out to students who are in jeopardy of getting into academic difficulties, the Director attempts to intervene before the damage is irreparable. Sending emails of concern, meeting with students, advising students and helping students create academic success plans are ways the Director can help struggling students. Students on probation are required to meet with the Director at the beginning of the semester to create an academic success plan and schedule one or more individual or small-group sessions at the academic Resource Center. The Director works closely with the Students Outreach and Retention team, a campus-wide administrative group that identifies and provides outreach to students who may be experiencing difficulty in pursuit of their academic goals.
A student who will have an extended absence because of illness or accident can notify the Director, who will then contact all of that student’s professors and keep the student’s doctor’s excuse on file, saving the student from trying to deal with several different people during a stressful or difficult time.

Despite the Director’s efforts, students sometimes choose to leave school or transfer to another university. Before leaving, those students should see the Director to fill out the appropriate paperwork and complete the exit interview.

Disability Services

Center for Educational Technologies (CET), Room 208
304.243.4484 + wju.edu/services/disabilities

Disability Services at Wheeling Jesuit University collaborates with faculty, staff and administration to assist students with disabilities in achieving academic success. Students with documented disabilities are offered appropriate accommodations on a case-by-case basis, with confidentiality in compliance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973. Students with specific academic needs due to a physical or learning disability should contact the Disability Services Director at 304.243.4484.

Disability Services are located on the second floor of the Center for Educational Technologies, where a teacher-certified learning disabilities specialist is available to provide assistance with strategies for academic success. In order to receive academic or physical accommodations, students must confidentially disclose their disability and communicate their specific needs to the Disability Services Director and provide current (within three years) and comprehensive documentation by a professional concerning the nature and extent of the disability.

WJU is committed to providing reasonable accommodations to students with disabilities. However, it is the responsibility of students to seek out available assistance on campus through the Disability Services office and to utilize individualized accommodations. Ultimately, all students are responsible for their own academic achievement. They must attend classes, complete course assignments and fulfill all University requirements for their chosen field of study with the ultimate goal of becoming a successful lifelong learner.

Bishop Hodges Library

Swint Hall
304.243.2226 + libguides.wju.edu/bhl

Services

Students have access to a variety of library services. Visit the library’s web page libguides.wju.edu/bhl and click on the Student or Distance Learners tabs.
Library Hours

Regular Semester:
+ Mon-Thur. 8:30 a.m.-Midnight  + Fri. 8:30 a.m.-4:30 p.m.  + Sat. Noon-5 p.m.  + Sun. 12:30 p.m.-Midnight

Library Hours are subject to change and do vary during holidays, breaks, university closures, and summer. Please check the library web site or telephone for details.

Research Assistance

Research assistance is available by appointment, telephone, e-mail and walk-in. Assistance is usually available Monday through Friday from 9:00 a.m. to 4:30 p.m.

Equipment

Available equipment includes: wireless Mac and IBM compatible laptop computers, Mac and IBM compatible desktop computers, black/white laser printing, color laser printing, self-service photo copier, microform reader/printer, television with DVD/VHS player, calculators, scanner, three-hole punch, and staplers. Staff is available to assist with operation of equipment, just stop by the front counter for assistance.

Room Use

Two group study rooms are available for two-hour periods for all students. Rooms may be reserved in advance.

Collection

The library’s collection of print, electronic books and multimedia items are searchable through a web-based interface. Students may place a hold on an item, check the status of library materials or renew library materials via the library’s online catalog. (Locate Books, DVDs, and Other Items)

The library’s monograph collection includes more than 150,000 print and 125,000 electronic book titles supporting the academic curriculum. In addition, the library maintains a multimedia collection of DVD’s and CD recordings with more than 969 items. The library supports the faculty and students by maintaining a collection of “Reserves” materials, which are located at the Circulation Desk. The library’s journal collection contains over 186 current serials subscriptions in print and microform. Numerous other journal titles, not currently subscribed to, are available in the library in print, microform, or electronic formats.

The library also maintains a special Curriculum Resource Center, which is a collection of K-12 educational resources, designed to support the Professional Education Department and programs on campus working with children.

Electronic Resources

WJU students have access to electronic resources that contain full-text research journal articles, abstracts, and indexes. These resources are accessible both on and off campus. Electronic resources are available in all disciplines of study. A complete listing can be found on the library web site. The library’s electronic resources also contain both streaming video and art images.

ILL

Interlibrary loan services are available to students. ILL is the process through which current students at WJU may request materials that are not locally owned, but can be obtained from another location to support education and research needs.
Information Technology Services

Acker Science Center, Room 302
304.243.8181 + its@wju.edu + wju.edu/its

Computer Labs
Labs are located in several locations around campus, including Acker Science Center (rooms 305 and 307), the ground floor of the NTTC. Printing stations are located on various sites on campus. Students must supply their own paper at these stations.

Network Connections
Network connections are available in every residence hall room so you may connect your computer to the Comcast High Speed Internet. This requires special hardware, a Network Interface Card (NIC) or Ethernet Adapter and a Category 5 Network Cable, which can be purchased in the Campus Shop or in any computer store. Connecting to the network is a multi-step process that requires your PC to be up-to-date with all critical security patches.

Technical Support
Technical support for student-owned computers and mobile devices is limited to network configuration assistance only. Your computer or device needs to be free of viruses, adware and malware to operate effectively in the university environment. Steps to secure your computer include: using Avast anti-virus (www.avast.com), browsing the Internet using either the Mozilla Firefox (www.firefox.com) or Google Chrome (www.google.com/chrome) web browser, performing a monthly scan with MalwareBytes (www.malwarebytes.org), cleaning cookies and temporary internet files with CCleaner (www.piriform.com/ccleaner) and refraining from using third-party browser toolbars, plug-ins or extensions.

WiFi
WiFi is available in academic, administrative and recreation areas around campus. All buildings EXCEPT residence halls have near complete coverage for WiFi. Residence halls have WiFi coverage in the main lounges only. Look for the WiFi network called “WJU WiFi.”

Online Resources
The Cardinal On-Line website — cardinal.wju.edu — has been designed for the students of WJU as a gateway to on-line resources. Links to computer network information, email, class websites, special announcements and more, account for the bulk of the site. Student Government and key University offices use this site to post important information for students. Check the website for more details.

Cardinal Mail and Blackboard accounts are available to everyone. Cardinal Mail is the student email system and email is considered an official means of communication between the University and students; students are responsible for checking their email on a regular basis to ensure they receive important communications. The Blackboard system is used by professors to accomplish a variety of learning objectives with students, including posting syllabi, announcements, course documents and homework, as well as a way to communicate with students. Each student is assigned a user name and password to access these systems. To access both Cardinal Mail and Blackboard, go to cardinal.wju.edu.
Academus, WJU’s online academic information system, provides students with real-time information about their class schedules, grades, transcripts and billing statements. You are able to register for classes online. Visit academus.wju.edu.

Employment Opportunities
Student employment opportunities are available in ITS. Approximately 15 students are employed each semester. To apply for a position or for more information about what positions are available, go to wju.edu/its and click on the Student Employment link. ITS offers positions in the areas of Helpdesk, Media Services, Network Services and ITS office support.

Registrar
Acker Science Center, Room 203
304.243.2238 + wju.edu/registrar

The Office of the Registrar is an integral part of the academic life of a Wheeling Jesuit student. The Registrar’s Office coordinates the registration and processing of grades for University classes; in addition, the Registrar’s Office can also provide the necessary paperwork and assistance with the following:

+ Change of Major
+ Course Status (credit / non-credit / audit)
+ Add / Drop a Course
+ Declaration of a Minor
+ Course Petition Form
+ Enrollment Verification
+ Declaration of a Double Major
+ Transcript Request
+ Change of Address
+ Non-Degree Application
+ Application for Graduation
+ Academus Online
+ Independent Study Application
+ Transient Form

You are able to search and register for classes through Academus On-Line, the University’s on-line information system (academus.wju.edu). Information on the pre-registration process for future semesters will be sent to all students via campus email.

The Registrar’s Office also has information and forms available on the University’s Web page (wju.edu); select Registrar’s Office from “Quick Links” drop-down menu. We are here to answer questions concerning registration and academic records; please feel free to call us.

The complete Academic Calendar can be viewed in the first part of this booklet and is also available online.

Waitlist Policy
Occasionally, students are “waitlisted for classes” when they register. As much as possible, the University will try to accommodate waitlisted students by either opening another section of the class (if demand is high) or increasing capacity for already scheduled classes. Students on a course waitlist are notified by an automated email message sent to their Cardinal email account when a space in the course becomes available. The student is given 24 hours to register for the course. If the student has not registered for the course within the specified time frame, the next student on the waitlist will be given the opportunity to add the course. It is very important that students check their Cardinal email every day when they are waitlisted for a class.
The waitlist update will be processed each weekday at 9 a.m.

It is the student's responsibility to check his/her Cardinal email throughout the registration and add/drop process, to check for notification of an open seat. If the student's opportunity expires he/she will automatically be removed from the waitlist. It is also the responsibility of the student to check their status on the waitlist. If the student no longer wishes to remain on the waitlist, he/she should remove himself/herself from the waitlist via Academus (using Manage My Waitlist).

If a student is registered for a course, she/he must attend the first day of class or notify the instructor that he/she is unable to attend. If a student is registered for a course but does not attend the first day of class and has not notified the instructor, the student will be dropped from the course and the next person on the waitlist will be sent notification that the course can be added. Any time a seat becomes available, the next student on the waitlist is given the opportunity to add the class.

Waitlists will remain open the first four days of classes each semester. The Friday of the first week of classes is reserved for faculty-approved additions to courses. Students must use the add/drop form. Add/drop forms are available in the Registrar’s Office and must be turned in by 5 p.m. on Friday of the first week of class.

Any student with a financial or health center hold will not be able to enroll in a course from the waitlist nor will be given priority over others on the waitlist.

Students missing course prerequisites or other course eligibility requirements will not be able to place themselves on the waitlist.

The system does not check for time conflicts when the student adds themselves to waitlists. It is the student’s responsibility to verify course days and times when registering for a course from the waitlist.

FERPA Facts

In 1974, the government passed the Family Educational Rights and Privacy Act (FERPA), also known as the Buckley Amendment. According to this law, a college cannot provide information about a student's class attendance, grades, academic progress or participation to anyone but the student and select college personnel without the student's written permission. The law is designed to protect your privacy but may cause tension with family members who have a genuine concern about your academic progress or who are helping to fund your college education. Given the restrictions placed on institutions by FERPA, consistent and honest communication between you and your family is needed. All schools are required to post an annual FERPA notification so. For further information, visit our website at www.wju.edu/about/hr/policies/FERPA.asp or contact the Registrar’s office at 304.243.2238 with any questions about FERPA.
## Academic Advising Syllabus

### Academic Advisor / Student Responsibilities

Each first-year student is assigned an academic advisor. Academic advising is a two-way street. Your advisor has responsibilities to you, but you must also fulfill expectations.

Introduction to Syllabi 101

The Syllabus is your guide to each of your courses at Wheeling Jesuit. It provides valuable information about course objectives, assignments and expectations. Keep each syllabus with the books, notes and other materials you need for a class so you can continue to refer to it throughout the semester. A typical syllabus will look like this:

Class time: M, W, F 11:00 - 11:50 a.m.
Instructor: Dr. Luceat Lux Vestra
Office: Cardinal Hall 123
Email: lvestra@wju.edu
Office hours: Use them! This is your opportunity to ask questions / clarify topics in a 1-to-1 setting

Course Description:
This course is an introduction to the fine art of reading a syllabus. This course is designed to provide the tools necessary to successfully understand, interpret and put into practice the basic skills of figuring out what exactly your instructors want from you, how you will be evaluated, how your assignments will be weighted and other tips for success.

Course Objectives:
1. To identify key areas of importance on the syllabus
2. To develop an understanding of how instructors outline their expectations in a syllabus
3. To learn and understand terms like: Blackboard, Rubric, Objectives, Outcomes and Expectations
4. To gain the skills necessary to use a syllabus in order to achieve academic success

Assignments:
1. Due Dates – Pay attention to these! Put them on your calendar at the beginning of the semester.
2. Description of Assignments – Read carefully and write down any additional explanations given in class.
3. Rubrics – These give you a clear explanation of the assignment and how it will be evaluated.

Course Expectations:
Under this section you might find the rules of the classroom. They often include:
1. Rules of Engagement – how you are expected to participate
2. Rules of Attendance, Missed Class Policies
3. Rules of Tardiness
4. Rules of Blackboard – will it be used, and if so, how?
5. Late Assignment Policies

Required Texts:
Purchase / rent the needed books and complete the reading assignments. It’s that simple! We cannot begin a conversation unless you crack the book.
Evaluation / Grading:
This section tells you how assignments will be weighted (how much each will contribute to your final grade). Your instructor might use percentages or points to express his or her weighting system.

Know how much each assignment is worth! It helps you determine how to prioritize study and prepare for class. It also gives you a good sense of what your grade is so there are no surprises at midterm!

Other Information:
* Academic Integrity (Plagiarism, cheating, etc. Plagiarism sanctions differ depending on the severity.)
* Support Services: It is YOUR job to meet with a staff member from Disability Services and arrange accommodations.

Course Calendar:
Assignment due dates, reading due dates, quizzes and other information. Instructors will provide you with detailed information; YOU must take responsibility for remembering and / or asking questions when you are unsure.
# Summary of Core Curriculum Courses Completed

You must successfully complete Wheeling Jesuit’s Core Curriculum Courses in order to receive your degree. Use this checklist to keep track of your Core Curriculum Courses as you complete them, including the semester of completion and your grade. This checklist will help you avoid a missed course that could keep you from graduating on time.

Campus Ministry

Chapel of Mary and Joseph, Lower Level

Campus Ministry

As campus ministers at Wheeling Jesuit — a Catholic, Jesuit university — we invite you to experience the Ignatian tradition. St. Ignatius Loyola (1491-1556), the founder of the Jesuits (an order of Catholic priests and brothers), urged men and women to listen to the voice of God speaking in their hearts and to discover how God acts in our lives and in all creation. Wheeling Jesuit’s Campus Ministry strives to develop a community of faith, worship and service to others. Led by Jesuits, pastoral ministers and student leaders, Campus Ministry serves to mentor students in all aspects of their lives. Wheeling Jesuit Campus Ministry, located on the lower level of the Chapel of Mary and Joseph, offers prayer and reconciliation, celebration of the sacraments, worship, retreats, spiritual direction and service. Through word and sacrament, prayer and service, reflection and action, we enter the Ignatian way of life, making our love of God in Christ active in our world. We want to meet you, hear your ideas and provide opportunities for your spiritual growth during this unique time in your life. Please stop by our office or contact us so we can get connected.

Campus Ministry Opportunities

Following are some opportunities for spiritual growth, worship and service. All are welcome! Let us know if there are other areas where we may be of service or of other ideas for ministry you may have.

Worship

Come to the heart of campus! The Chapel of Mary and Joseph is open daily to all for prayer and quiet reflection. When classes are in session, Masses are celebrated in the Chapel at the following times:

+ Sunday: 11:00 a.m., 6:00 p.m., and 9:00 p.m. + Monday-Friday: Noon + Wednesday: 9:15 p.m.

Use your talents in service to the worshipping community: join the Choir or become a Lector, Altar Server or Extraordinary Minister of the Eucharist. If you wish to connect with your local church denomination for worship, we can help put you in touch with area churches and a synagogue. We also offer opportunities for communal prayer and worship throughout the year.

Small Prayer Communities

Join a Small Prayer Community, an opportunity to gather weekly with a small group of peers to pray, to connect your faith with daily life and to put faith into action.

Retreats

Campus Ministry offers various overnight and day / evening retreats, a time to get away from the everyday routine for prayer and reflection. First-year students have the opportunity make the Freshman Overnight Retreat, and the Kairos Weekend is a popular retreat among upperclassmen at WJU’s beautiful Lantz Farm. During Lent, the Time Out Retreat allows those who cannot get away for a weekend the chance to make a retreat right here on campus. You may also seek out a spiritual guide in Campus Ministry with whom you can share the joys and struggles of your faith.
Service
Service is at the heart of a lively faith. Make a commitment to help those in need. The Service for Social Action Center, a part of Campus Ministry located on the Acker Bridge and Lundy Lounge, provides opportunities to serve others and to reflect on your service so that you may connect your faith with action in the world.

Vocation
Discern how God is calling you to love in this world. Campus Ministry can provide information and help you make decisions about service programs or your vocation to the priesthood, religious life, marriage or single life after Wheeling Jesuit University.

Prayer for Generosity
Dearest Lord, Teach me to be generous.
Teach me to serve you as you deserve, To give and not to count the cost,
To fight and not to heed the wounds, To toil and not to seek for rest,
To labor and not to seek for reward, Save that of knowing that I am doing your will.
— St. Ignatius of Loyola

Campus Shop (Bookstore)
Swint Hall, First Floor, next to Troy Theater
304.243.2231 + campussshop@wju.edu
wjushop.com

The Campus Shop at WJU, operated by Follett, carries all the textbooks and course materials required for your classes, as well as school supplies, snacks, health and beauty products, gifts and WJU apparel. Campus Shop hours during the academic year are:
+ Monday-Thursday: 9:00 a.m. - 5:00 p.m.  + Friday: 9:00 a.m.-4:00 p.m.
Special hours at the beginning of each semester and during special event weekends are announced prior to those times.

All major credit cards are accepted and gift cards are available. Visit www.efollet.com/software for software discounts.

Several options for obtaining books and class materials are available to help you make the best use of your textbook budget. You can:
+ Purchase new textbooks. You might choose this option if you would like to keep your books as part of your personal library.
+ Purchase used textbooks from our large used book selection.
+ Rent your textbooks. The Campus Shop offers a Rent-A-Text program, which can save you as much as 50 percent off the price of new books and can make course materials more affordable. Renting is the eco-friendly option — the books are used again and again!
You should order your textbooks as soon as you receive your class schedule. You can:

- Shop online at [www.wjushop.com](http://www.wjushop.com). Under the “Books” tab, click on “Textbooks and Course Materials.” You will be guided through a series of questions regarding each class on your schedule. Once you submit your answers, a list will be generated of the books and/or course materials required for that class. You will see the available inventory, and if the materials can be rented. Add the materials to your cart and repeat the process for your next class. When your order is complete, we will download it at the bookstore and box up your order so it’s ready for pick up when you arrive on campus.

- Bring your schedule into the bookstore, and we will help you find everything you need for your classes.

**Rent-A-Text**

If you decide to rent your books, you must register to become a “Rental Patron.” You can register on our Web site or do an express rental registration in the bookstore. Register once and you will remain a rental patron throughout your WJU career.

To participate in the Rent-A-Text program you must:

- Be 18 years of age. If you’re under 18, a parent or guardian must register for you.
- Have a valid, government-issued ID.
- Provide a valid credit card we keep on file as collateral.
- Provide your e-mail address and phone number.
- Agree to rental terms and conditions.

Rental books must be returned to the bookstore after final exams. You will begin receiving reminder e-mails 10 days before books are due. Rental books can be converted to purchases before the due date by paying the difference between the rental cost and the purchase price.

If you have any questions or concerns regarding your textbooks or class material, don’t hesitate to e-mail us at [campusshop@wju.edu](mailto:campusshop@wju.edu) or give us a call at 304.243.2231.

**Career Planning**

Career Advisers are assigned to students and provide basic career services, including resume and cover letter review and demonstration on how to use the College Central Network. Residential students have an Area Coordinator who also serves as Career Advisers and career advising is available to commuter and adult and graduate students upon request by the Dean of Student’s Office. Faculty are also a valuable career resource for students; career planning is infused throughout students’ experience.

- Kirby / Sara Tracy Area Coordinator / Career Adviser 304-243-2390, First Floor Lobby
- Campion / McHugh Area Coordinator / Career Adviser 304-243-2812, First Floor Lobby
- Ignatius / Thomas Moore Area Coordinator / Career Adviser 304-243-2650, First Floor Lobby
- Commuting, Graduate, and Adult Career Adviser 304-243-2350, Swint Hall, Room 209
Wheeling Jesuit students and alumni have access to our online career source — the College Central Network — 24 hours a day. Simply by logging on to www.collegecentral.com/wju and using your student ID# as your “Access ID,” you can create a profile, submit your resume and use local and national job boards to find internships and jobs. Students can also contact Alumni Career Mentors through the CCN’s Career Mentoring Network (password: WJUCardinals).

Some ideas on how to plan for your career early in your college career are highlighted in the four year plan below.

Community Service
Acker Science Center, 112C
304.243.8728 + service@wju.edu + wju.edu/ssac

The Service for Social Action Center (a.k.a., the “Service Office”) coordinates community service and service-immersion experiences for our campus community. Students will have the opportunity to truly become “men and women for others” through the partnerships of clubs, service programs and academic courses with organizations in Wheeling, Appalachia, and across the country.

Throughout the year, the Service Office, in partnership with Campus Ministry, works to identify service projects and provides support with spiritual reflection and skill development. Some of the Service Opportunities during the year include: American Red Cross Blood Drives, Hunger and Homelessness Awareness Week, food and clothing drives, mentoring and after school programs, Special Olympics, Make a Difference Day, Prison Ministry and much more!

While at Wheeling Jesuit, students will be encouraged to continually develop and challenge yourself to serve others, not only in the local community, but also abroad. The Service Office offers a variety of service immersion trips each year over student’s breaks (Fall, Winter and Spring). Each of the immersion experiences is unique to its own geographical location, population demographics and community dimensions. Immersions allow students to recognize the difficulties of many other communities, many of which parallel the same issues that we see in Wheeling. You are challenged to bring back the skills and understanding you receive on the immersions to better serve the Wheeling community.

Students have participated in service immersions in the following places: Chicago, IL; Glenmary Farms, KY & TN; Erie, PA; Mingo County, WV; New Orleans, LA; Washington, D.C. and El Salvador.

Dining Services, Benedum Room and Coffee Shop
Swint Hall, Ground Level
304.243.2320 + wju.edu/foodservice

The WJU Dining Services are located in Swint Hall. Food service is provided by Parkhurst Dining (www.parkhurstdining.com), the same company that provides food for the Pittsburgh Steelers! The Benedum Room, otherwise know as the “B-Room,” is the main dining room designed to accommodate students on a meal plan, WJU employees and visitors. Campus Coffee offers take out service. Various catered events are held year round throughout the entire WJU campus.

Resident Meal Plans
If you are a resident student, you will automatically be assigned a meal plan for each semester. Up to 200 meals a semester can be used in the B-room, and $200 in Flex Money in the coffee shop.

In addition, all students can have money placed on the Cardinal Card (commonly referred to as “Munch Money”) through the Student Accounts Office. Residential students whose academic requirements prevent them from eating in the Benedum Room on a regular basis (i.e. upperclass health science students doing
clinical rotations off-campus and student teachers) may request an amendment to the meal plan. Students with dietary restrictions should meet with Dining Services to request special food accommodations; since most dietary needs can be accommodated, these students are usually able to stay on the meal plan while getting their needs met.

**Commuter Dining Options**

Commuter students are encouraged to enjoy meals in the Benedum Room and/or coffee shop as they choose. While there is no meal plan for commuter students, commuters who have money placed on their Cardinal Card (commonly referred to as “Munch Money”) will receive a discount while eating on campus. Munch money remains on a students’ account through the academic year (must be used before the end of the spring semester each May). Commuters can also pay cash to eat in the Benedum Room and cash or credit/debit in the coffee shop. Many commuters find eating on campus to be a convenient way to engage in campus life during their time on campus.

**Dining Features**

Continuous dining is available from breakfast through dinner each weekday, including breakfast, lunch and dinner. On weekends, brunch and dinner are offered. Visit the Dining Services website at wju.edu/foodservice for current operating hours and prices. Students have access to 200 meals a semester and can use up to 3 meals a day. The 200 meal plan provides students with an average of 12 meals a week. It is students’ responsibility to monitor their meal plan.

**Dining Service Guidelines**

- Food and drink may not be taken out of the Benedum Room for any reason. An approved carryout program is available upon request. Approved carryout guidelines are available in the B-Room. The option to carry out may require a small fee.
- Shoes and shirts must be worn at all times with the exception of programmatic awareness days approved by Student Development.
- Athletic gear is not permitted in the Benedum Room.
- Utensils and equipment may not be removed from the dining service area.
- Meal plan meals are non-transferable (with the exception of guest meal passes) and may not be shared.
Abusive and / or insulting language, disruptive behavior, vandalism and infringement on the rights of others will result in disciplinary action.

The University dining service does not accept liability for any lost or stolen articles.

All other Wheeling Jesuit University standards or conduct policies — as outlined in the WJU student guidelines handbook — must be followed in the dining facilities.

**Campus Coffee**

The coffee shop offers take out service as well as hot and cold food and beverages for people on the go. “Munch money,” cash or credit can be used at this venue. Campus Coffee is operated when classes are in session Monday-Thursday, 7 a.m.-12 midnight, Friday, 7 a.m.-10 p.m., Saturday, 10 a.m.-10 p.m. and Sunday, 10 a.m.-12 midnight. The University Meal Plan includes $200 Flex Money that students can use in the coffee shop.

**Financial Aid**

NTTC, 2nd Floor
304.243.2304 + FAX 304.243.4397
finaid@wju.edu + wju.edu/admissions/finaid

Our Financial Aid Office is dedicated in assisting you through your financial aid process. We understand that this process can be very overwhelming, especially if this is your first college experience. Our office will make every effort to help you to complete all the appropriate forms and meet deadlines. We are here to assist you with questions or concerns until your graduation from WJU!

We realize that parents often take on the responsibility of completing the financial aid forms and paying students’ balances. However, we cannot stress enough to Wheeling Jesuit students the importance of taking an active role in financing your education. By making this a family process, you’ll be educated about your loan debt and will become a credit conscious consumer while you are in school and after you graduate. Another reason we ask for student involvement is that your name will appear on the invoices and loan promissory notes.

We encourage you to visit [www.studentaid.ed.gov](http://www.studentaid.ed.gov). This is a website designed to help students / families understand the importance of financial aid. It also provides other tools and resources as you prepare for your financial future.

Financial Aid Checklist
✓ Complete the Free Application for Federal Student Aid (FAFSA) EACH ACADEMIC YEAR online at www.fafsa.gov.
  • Request parent and student FSA (Federal Student Aid) ID at www.pin.gov.
  • Priority deadline for filing is February 15th.
  • Enter “Wheeling Jesuit University” for the school name, federal school code 003831.
  • If you do not plan on filing a FAFSA, please notify the Financial Aid Office in writing.

✓ Student Aid Report (SAR) sent by the federal processor after submitting FAFSA:
  • Three to 10 days to process online FAFSA.
  • If email address was provided on the FAFSA, you will receive your results electronically.
  • Corrections can be made on the Web with FSA ID.
Verification Process: if selected by the U.S. Department of Education, the following documents must be submitted:

- WJU Verification Worksheet – available online at wju.edu/admissions/finaid/forms.asp.
- Must request IRS tax transcripts by one of five options:
  - Phone: 1.800.908.9946.
  - Paper: IRS Form 4506T-EZ or IRS Form 4506-T.
  - FAFSA IRS Data Retrieval Tool
- If additional verification is needed, we will notify you.

Disbursing of Federal Direct Stafford / Perkins Loans:

- Entrance Counseling is a requirement for all Federal student loan borrowers and can be completed online at www.studentloans.gov. FSA ID is required for signature.
- Master Promissory Note (MPN) is a requirement for all Federal student loan borrowers and can be completed online at www.studentloans.gov. FSA ID is required for signature.
- Signing of Perkins Promissory Note (MPN) is done online at wju.edu/admissions/finaid/loans_perkins.asp. FSA ID is required for signature.

Financial Aid Award Notifications are emailed to the student’s WJU email address:
- Shows financial aid awarded for fall and spring semesters.
- Check housing and enrollment status.
- Outside scholarships will appear on award notification once we receive notification from student or organization / agency.

Student Accounts Office

NTTC, 2nd Floor
304.243.2222 + Fax 304.243.4397

The primary function of the Wheeling Jesuit Student Accounts Office is to process tuition and room and board billing. We understand that the billing process can be very confusing, especially if this is your first college experience. Our office will make every effort to help you understand your bill and know the payment deadlines. This section on the Student Accounts Office was designed to give you an overview of the billing processes. Please contact us if we can be of any further assistance.

Billing Information

- Student account on-line billings are updated on a daily basis, and can be accessed through the Student’s Academus account.
Fall semester billing begins in June. Spring semester billing begins in November. All base charges/fees are shown on June and November billings. All financial arrangements for student accounts must be resolved by the due date for each semester:
- Fall – July 30.
- Spring – December 3.
You will not be permitted to move into the residence halls or begin class until your balance has been paid.
If accounts have not been resolved by the due date, you will be ‘deregistered’. Deregistration is the process of removing you from all your selected courses to make your seat(s) available to other students and, if applicable, cancelling your housing assignment and meal plan to reassign your bed to another student on the housing waitlist. Once you are deregistered, you need to start the process from the beginning and there is no guarantee that the classes or housing assignment you want may still be available.
You may resolve your balance in the following ways:
- Pay balance in full
- Set up external payment plan
- Financial Aid
- Payroll deduction

Payments may be made in the Student Accounts Office located in the NTTC building (second floor) or in the Business Office.
- Cash, checks or money orders are accepted.
- On-line credit card payments – processing fee will apply (Visa, MasterCard, Discover)
- On-line debit payments from checking or savings accounts – a minimal fee of $1 will apply

The following transactions may be made through our website wju.edu:
- Loans, grants or scholarships
- External payment plan (contact Student Accounts Office for more information). These plans must be active and payments up to date.

Helpful Hints for Keeping your Accounts Current
- Check your Cardinal email at least once a week. All offices and departments communicate with students/families via the Cardinal email. Information sent is important and may need action taken.
- Don’t wait until the last minute to pay or make payment arrangements.
- Statements will be mailed at the beginning of each semester only.
- Check your account on Academus at least once per week to determine that everything is current, especially if you have made any changes in courses, housing, etc. Additional fees can be added after the initial billing, such as auto registration. Check to see if you have any ‘holds’ on your account.
- Make sure you have filed your FAFSA and it has been received by the Financial Aid Office.
- If the Financial Aid Office requests additional information or documentation, provide it as soon as possible. You cannot receive a financial aid package until all paperwork and signatures have been received. You may check your Academus account online to see what, if anything, is needed.
+ If you are not planning to return, make certain you drop your courses in the appropriate office and pay any outstanding balances you may have.

**Other Services**

+ **Cardinal Cards (i.e. Student ID Cards):** Come to the Student Accounts Office to apply money to your cardinal card for munch money (money that can be used as declining balance in the dining facilities)

+ **I-9’s:** You’re required to complete U.S. Form I-9 to prove you have the right to work in this country. This form can be completed in the Payroll Office. You must show two forms of identification, usually a social security card and a driver’s license.

+ **Paychecks:** If you work on campus, you’ll be paid on a bi-weekly basis. Paychecks are ready at 8:30 a.m. on Friday mornings of the pay week. During holidays and/or breaks the pay schedule may vary. Pay schedules are available in the Business Office.

+ **Payroll Deduction:** If you desire to have all or part of your student paycheck applied to your account, you can come to the Student Accounts Office or go to the Payroll Office to fill out the appropriate form. This service permits you to pay over the semester on your tuition account without being assessed finance charges.

+ **Perkins Loans:** If you’ve been awarded a Perkins Loan, you must come to the Business Office and sign all required promissory notes and paperwork. Entrance and exit interviews are required for these loans. Repayment of these loans is coordinated through the Business Office when you no longer attend Wheeling Jesuit University.

+ **Student Account Information and Assistance:** Staff members are always willing to assist with helping you understand your tuition account. We also offer options, along with Financial Aid, to help in the payment of the accounts.

**Important Reminders**

+ Books are NOT included on your account.

+ Work study awards are NOT a given — don’t count on work study as a primary funding source for your WJU education.

+ Your student account is YOUR RESPONSIBILITY! You need to know how it will be paid. We are required to follow all the FERPA guidelines when discussing your student account.

**Health Center**

**Swint Hall, Room 208**

**304.243.2275 + healthcenter@wju.edu + wju.edu/healthcenter**

Health Services, located on the second floor of the Swint Hall, helps students learn how to practice a healthy lifestyle through rest, relaxation, diet, exercise, healthy habits and stress management. A secretary and registered nurse are available to all undergraduate and graduate students (residents and commuters) on a part-time basis. Appointments are strongly encouraged for all visits, although walk-ins are expected for medical services. Emphasis is placed on “wellness,” which includes prevention, education and assistance in making responsible health choices. Health Services is also a place to come when you have an illness or injury.
Health Center Hours

For questions about health requirements and medical services:

**Monday-Friday  8:30 a.m.-5:00 p.m.**

A Registered Nurse and Secretary are available on a part-time basis. Please call ahead or refer to the website for specific hours. Students needing immediate care when the nurse is not in will be referred to the Family Health Center at Wheeling Hospital; students are responsible for cost of off-campus medical care, which may include transportation costs.

Medical Services

Most of the services are provided at no additional charge and include:

- Unlimited office visits for basic triage nursing for illnesses or injuries
- Treatment for medical problems
- First aid
- Dressing changes
- Medical consultation, including assistance in negotiating off-campus health-care
- Over-the-counter medications
- Blood pressure screenings
- Wheel chairs and crutches depending on availability

Referrals

The Health Center works closely with off-campus medical professionals and can help if you need more intense off-campus care to determine which facilities best meets your health needs. Reasons for off-campus referrals may include, but are not limited to: allergy, X-rays, lab work, medical specialists, dentists, orthopedic specialists, physical therapy, and family planning. Students needing off-campus care will be referred to the Family Health Center at Wheeling Hospital. Transportation is available upon request, depending on circumstances.

Confidentiality

All information received by the Health Center regarding your health is strictly confidential. Access to medical records is limited to authorized medical personnel only. Medical information is released only with your expressed written permission except when disclosure is required by law.
Emergencies

All Residence Life and Security staff are trained in Red Cross First Aid and CPR. In the event of a medical emergency please do the following:

Daytime Protocol:
+ Call 9-911 (in cases of extreme emergency)
+ Notify Security at 304.243.2486
+ Notify the Health Center: 304.243.2275 (8:30 a.m. to 5:00 p.m.)

After Hours Protocol:
+ Call 9-911 (in cases of extreme emergency)
+ Notify your RA or RD who will notify Safety and Security

International Student Services (ISS)

Swint Hall 206 + 304-243-4476

The ISS Office provides a wide array of student services for international students enrolled in Wheeling Jesuit University's English Language Institute, undergraduate and graduate programs. The office also leads globalization initiatives across campus.

The ISS Office delivers comprehensive orientation programs for international students who may arrive on campus throughout the calendar year and assists new students with completion of University health requirements and transitioning to the United States (including off-campus shopping, setting up bank accounts, obtaining cell phones, obtaining state ID cards and navigating public transportation in Wheeling). The ISS office works with a diverse student staff of International Student Ambassadors (ISAs) to deliver student services and also directs mentoring programs for students, employees and local friends of the University to support students coming to Wheeling from different countries. Additionally, the office provides off-campus programs during University Break periods for students who remain in campus housing because they are unable to travel home due to distance. The Director of International Student Services also serves as the Career Adviser for undergraduate international students.

Counseling Center

Whelan Hall, 1st Floor
304.243.2081 + wju.edu/about/hr/counseling

The Counseling Center offers free, confidential counseling services to students. A Licensed Professional Counselor (LPC), who is also an Approved Licensed Professional Supervisor (ALPS) is available to help you with adjustment concerns as well as more serious mental health concerns. The WJU Counseling service functions under the clinical supervision of a Licensed Ph.D. Psychologist.
Some of the common issues for which students at WJU seek counseling are:

+ Anxiety
+ Depression
+ Substance abuse
+ Homesickness
+ Assertiveness
+ Family issues
+ Eating disorders and body image issues
+ Sexual assault / abuse issues
+ Stress management
+ Any personal concern that is affecting a student's academic success or adjustment to college
+ Grief and loss issues
+ Test / performance anxiety
+ Self esteem issues
+ Relationship problems

The Counselor's office is located on the first floor of Whelan Hall. Hours are Monday through Friday. Call 304.243.2081 to schedule an appointment. Walk-ins are welcome if a counselor is available.

Counseling Service records are kept secure, confidential and separate from health service / medical records.

**What Is An Emergency?**

+ Sudden life threatening illness
+ Accident involving serious injury
+ Rape / Sexual assault
+ Drug overdose including alcohol
+ Violent behavior
+ Suicidal ideas and attempts

**International Student Center / English Language Institute**

**Ignatius Hall, Ground Floor**
304.243.2412 + wju.edu/ELI

The International Student Center assists International students attending the University; coordinates activities promoting interaction among international students and the Wheeling community; and handles all immigration matters for those students and the university.

The English Language Institute is a language school for students from non-English speaking nations who want to learn English. ELI students take classes offered through the ELI program throughout the year and live in campus housing with WJU students while studying on campus, and add to the global diversity of the campus.

Frequently, ELI students will enroll in WJU undergraduate or graduate programs after achieving English proficiency.

Residence Life
Swint Hall, Room 202-204
304.243.2257 + reslife@wju.edu + wju.edu/studentlife/residencelife

Living in the residence halls provides opportunities for personal growth and development. The Residence Life Staff works to create an environment encouraging academic excellence, social competence, independence and a sense of community life. Area Coordinators and Resident Assistants provide programming, guidance and support for residents.

The following people are available to help you in the residence halls:

Director of Residence Life
The Director coordinates and supervises of all residence halls, staff members and Residence Life processes including room assignments, residence hall programming, facility management and student conduct.

Area Coordinators (ACs)
Each Area Coordinator is responsible for the coordination, supervision and implementation of all operations and functions in his / her residence hall. Each AC also serves as a Career Advisor for the residents in their hall. There are three ACs on campus and each supervises one of the following areas:
1. Sara Tracy and Kirby Halls
2. Campion and McHugh Halls
3. Ignatius and Thomas More Halls
Look in your residence hall for your Area Coordinator’s office hours so they can best assist you.

Resident Assistants (RAs)
Resident Assistants are upper-class students who will assist you in your growth and development. The RA serves as a role model, peer mentor, educator, information provider and supervisor to the residents of his/her building. Depending on the building, one or two RAs are assigned to each residential floor.

STUDENT RESOURCES

Keys

Keys to all University facilities are the property of Wheeling Jesuit University. Your room keys are your sole responsibility and should not be given to anyone else under any circumstances, and should not be reproduced. Report lost room keys immediately to the Office of Residence Life so that the lock can be changed to ensure your safety; a lost key will result in a charge for key replacement, changing the core and changing the cylinder for the lock(s).

ID Cards

The Wheeling Jesuit University identification card, commonly referred to as the “Cardinal Card,” is given to all employees and students and provides access to several campus buildings, the Library, the Benedum Room (for those on a board meal plan), and (when “munch money” is placed on the card) can be used as a debit card for purchases in dining facilities. To place “munch money” on your Cardinal Card (for use as a debit card), contact the Business Office or Student Accounts. All new students and employees receive a Cardinal Card free of charge; a small replacement fee applies to subsequent cards.

Cardinal Cards are the property of Wheeling Jesuit University and are non-transferable; if you allow someone else to use your Cardinal Card, it will result in student conduct action. You are expected to carry your Cardinal Card with you at all times and are required to produce it upon the request of any duly authorized person (University administrators, residence hall staff, faculty or Safety and Security officers). If you withdrawal from the University during the course of an academic year, you should turn in your Cardinal Card to the Office of Residence Life as a part of the withdrawal process. Falsification of Cardinal Cards and/or using another person’s Cardinal Card will result in student conduct action.

Student Conduct

You are responsible for adhering to the Student Code of Conduct and University Policies that are outlined in the University Student Handbook. The student Handbook is updated annually and can be found online at wju.edu/studenthandbook. In addition to the Student Code of Conduct, the Student Handbook also details the University’s Sexual Misconduct Policy and Alcohol and Illicit Drug Policy.

Self-responsibility is one of the most important things you’ll learn at college, and we closely work with you to help develop this trait. It may initially take some trial and error for the lessons to kick in; but once they do, you’ll have learned the value of being held accountable for decisions and actions. As college students, we expect you to take responsibility for your own experiences and behaviors while in college, including:

+ Following the rules
+ Personal integrity
+ Seeking academic assistance when needed
+ Taking care of college business such as financial aid, health immunization, health insurance, and class registration
+ Academic honesty
+ Developing healthy study, eating and sleep habits
+ Being a positive member of the campus community

Many people are available to help you learn and grow so that you can make healthy decisions; you’ll find support every step of the way!

Roommates

Top Five Roommate Conflicts

1. Lifestyle and cultural differences:
   - Music / television / movie preferences
   - Social lifestyle (visitors, how many, how often)
   - Decorating preferences
   - Noise level
   - Use of alcohol and tobacco
   - Safety and security issues

2. Different sleep or study patterns:
   - Night owl vs. early bird
   - Quiet for study vs. playing music, TV, etc. while studying

3. Different expectations about neatness and cleanliness:
   - A pig pen or a museum?
   - Who cleans, how often, etc.

4. Different expectations about the use of personal property:
   - “What’s mine is mine, and what’s yours is mine” (Use of stereo, TV, space in the fridge, food, clothing, computer, furniture, etc.)

5. Respect issues:
   - Privacy / different needs / “personal space” / use of room
   - Confidentiality, gossip

Tips for Getting Along with a Roommate

- Talk to each other.
- Listen to each other.
- Be tolerant – agree to disagree at times.
- Realize that you and your roommate do not have to be best friends.
- Speak directly to your roommate – discuss specific issues and relay your feelings.
- Be calm and cool – don’t lose your temper.
- Use statements that begin with “I” (“I get really angry when you leave dirty dishes in the room” instead of “You never clean up your dishes.”)
- Be careful not to make accusations. This will only make your roommate defensive.
- Put yourself in your roommate’s shoes. Treat your roommate as you would like to be treated. Don’t make unrealistic demands.
- Be willing to offer solutions and compromise.
- Seek the help of your RA or AC if you can’t reach a compromise.
- If you have repeated conflicts with several roommates you may want to consider counseling.

+ Kitchen Facilities: There is a small kitchen located on the ground floor that contains a sink, microwave and stove.
+ Laundry Facilities: Washers and dryers are located on the first, second, third, fourth and sixth floors.
Safety and Security
Swint Hall, Ground Level
304.243.2486 + wju.edu/security

Safety and Security personnel assist students and visitors to the campus, regulate and enforce traffic and parking regulations, enforce University policies / behavioral expectations, make rounds of the campus and inspect campus for safety / maintenance concerns. Officers do not have law enforcement authority but do enforce University policies. Any student who would like to have a security escort across campus, at any time, may contact the Office of Safety and Security, X-2486. A Security Officer or Student Security Assistant will escort students.

Students and other members of the University community should be familiar with the following Safety and Security procedures:

+ To reach a security officer call ext. 2486 from an on-campus phone or 304.243.2486 from any other phone.
+ The Office of Safety and Security is located in the annex of Swint Hall.
+ For a security escort across campus at any time, you can contact Safety and Security at ext. 2486. A Security officer or Student Security Assistant will escort students to any location on campus.
+ Learn when campus RA's are on duty and how to reach them quickly.
+ Memorize the phone number for Safety and Security — ext. 2486 — so you can call at a moment's notice.
+ If a friend seems ill, intoxicated or hurt get help immediately! Do not worry about getting them in trouble. Their safety and well being need to be your foremost concern.

e2Campus Alert System

All students should sign up to receive campus notifications 24 hours a day via text messaging to mobile devices, via email and / or via voice mail at students' home, office or cell phones. By signing up, you'll receive immediate information about campus closings or delays, health updates or other campus emergencies. You can sign up your family members to receive alerts as well.

Use a campus-networked computer (located in any campus computer labs or in the library) to sign up. Login information can be found at wju.edu/alert

Walking On or Off Campus

+ Walk with someone else, especially after dark.
+ Stay on populated, well lit paths.
+ Call Campus Safety and Security if you need a walk home in the dark.
+ Communicate to your friends when you are leaving and when you should arrive.
+ Good idea to keep personal information to yourself.
+ Do not post notes on your door memo board saying where you are, what your schedule is, etc.
+ Leave notes for your roommate inside the room.
+ Do not attach your ID to your keys, then if you lose your keys, it will be hard for the finder to know what room the key belongs to.
+ Never leave a message on your answering machine that says you will be gone for a few days. This alerts people to the fact that your room or apartment will be unattended.
+ It may seem like harmless fun but plastering your name, room number, or phone number in your window or online is bound to encourage unwanted attention.
+ Do not give out information about yourself over the phone or online.
+ Keep a level head. Being under the influence of alcohol or drugs can really compromise your safety by lowering inhibitions and clouding your judgment.
+ If you go out with a group of friends, make sure that everyone is accounted for before leaving.

**Feeling Threatened? Trust your Intuition!**

+ Obscene phone calls: Do not engage an unknown caller in conversation or give away any personal details. Keep track of when calls are made and what is said. Save answering machine messages, too. Then turn this information over to Safety and Security.
+ Threatening Emails or Text Messages: Some people may send threatening messages. Again, it is important to keep track of these messages, print them out and turn them over to Safety and Security.

**Safety in your Room**

+ ALWAYS lock your door, especially when you are sleeping or not home.
+ If you are running down the hall, lock your door.
+ Do not leave a your room key unattended in an easy-to-find spot.

**Safety Concerns with your Belongings**

+ Do not leave your backpack unattended. It’s too easy for someone to snatch your stuff while you’re not looking.
+ Use lockers whenever necessary and bring your own lock.
+ Do not leave valuables in plain sight.
+ Do not leave large amounts of cash in your room, even if its hidden. There is an ATM located near in Swint Hall.
+ Textbooks are sometimes targeted by thieves. Keep yours safe by putting identifying marks on them.
+ Have your car key in hand, ready to use as you are walking towards the car.
+ Do not hesitate to call Safety and Security for an escort when walking across campus at night.
+ Walk out to your car with someone you know and trust, especially after dark.

**Fire Safety**

+ Know exactly where your emergency exits are located.
+ Always heed the fire alarm, even when you believe it may be another drill. You never know for sure, so get out quickly and carefully.
+ Do not use illegal appliances in the residence halls.
+ Do not burn candles or incense.
+ Do not tamper with fire equipment such as hoses, extinguishers, and alarm boxes.
+ Stay as calm as possible. Quick, clear-headed thinking can make all the difference.
+ Know the location of pull boxes and extinguishers so you can get to them quickly.

**Lost and Found**

Lost and found items should be turned into the Security Office. Items will be tagged and kept for six months, then disposed of or donated.

**Parking**

Students should sign up for a parking permit on Academus in order to receive their permits to place in their cars during the first week of classes. Current parking permits must be displayed at all times on campus. Parking permits are placed on the rear view mirror inside your vehicle. It’s your responsibility to display your permit. There are fines for no permit and for not displaying your permit properly, as well as for not following campus parking regulations.

Please be observant of reserved spaces. There are VISITOR PARKING ONLY SIGNS and these spaces will be enforced. NO PARKING SIGNS are also enforced.

PARKING IS RESTRICTED IN SOME CAMPUS LOTS, AND A FEW LOTS DO NOT PERMIT OVERNIGHT PARKING. A fine will be levied for any car left overnight in these lots. Please review detailed parking instructions when you receive your permit so you understand where you can park without receiving a ticket.

The Swint Circle is always a TWO HOUR LOT, reserved for campus visitors. This is strictly enforced.

There is NO PARKING ALLOWED ON THE ROAD ON CAMPUS.

**Compliance Information**

In accordance with federal regulations, important information regarding University policies can be found online at [www.wju.edu/studenthandbook](http://www.wju.edu/studenthandbook); the follow information is updated annually:

+ Alcohol & Illicit Drug Policy, including the University’s Biennial Review and Drug & Alcohol Prevention Program Report
+ Student Code of Conduct, including philosophy, definition, student rights, process for resolving case and appeals
+ Sexual Misconduct Policy, including philosophy, definitions, student rights, process for reporting and resolving complaints and appeals
+ Annual Security (Clery) Crime and Fire Safety Reports and Policies
+ Missing Student Notification Policy
Student Activities and Event Planning
Swint Hall, Room 201
304.243.2210 + cab@wju.edu + wju.edu/studentlife/cab

Student Government
Student Government is involved in policy formation, allocation of its funds to clubs and organizations, regulation of all Student Body elections, consultation with administrators and many other tasks pertaining to the welfare of the University. Student Government is comprised of students elected by the Student Body to serve as Senators and as officers on the Executive Board.

Campus Activities
The Office of Student Activities oversees numerous services provided for WJU students. Located on the ground floor of Swint is the RATT, our on campus pub and convenience store. Many events are planned in this space to include musicians, comedians, karaoke and even some open mic nights. Student Activities also works with the Student Government Association in supervising the Intramural Sports program, open to all students. The Campus Activities Board (CAB) offers numerous entertainment options throughout the year, such as concerts, game shows, comedians, and Jesuit Idol – Wheeling Jesuit’s knock-off of Fox TV’s American Idol.

Within the first month of the academic year, an Involvement Fair is held that will allow you the opportunity to find out more about the various campus organizations (listed on the next page) and how to become involved with them. You’re encouraged to try new activities, but remember to maintain a balance between your coursework and your extra-curricular activities.

The City of Wheeling also offers numerous opportunities to become involved in unique activities. The Stifel Arts center — within walking distance of campus — offers a variety of classes and events such as pottery, dance and music. Oglebay Park features several golf courses and the Festival of Lights at Christmas. Wheeling Park provides venues for swimming, picnics and ice-skating. The Highlands — located about 5 miles from campus — provides shopping, dining and a movie theater. Weekly shuttles are provided to the Highlands.

Org Sync
Org Sync is a web-hosted platform that creates Wheeling Jesuit's online community for student activities. Org Sync facilitates students’ engagement in campus life by easily and quickly providing connections to student clubs and activities across campus. Students will receive instruction on how to set up their Org Sync accounts at New Student Orientation. Visit http://campuslife.wju.edu/org/cab to find the Org Sync log-in; be sure to select Wheeling Jesuit University as your “community.” All budgeting processes for student clubs are managed through Org Sync, as well as many campus life student sign up programs. Students can also see the current listing of student clubs and organizations by logging onto http://campuslife.wju.edu/orgs.
Airport Shuttles
The Office of Student Activities also schedules airport shuttles for a small fee if you need to fly home during University breaks. Information about this service is available each Fall. The shuttles provide service to and from Pittsburgh International Airport for the following University break periods: Thanksgiving Break, Winter Break, Spring Break and Easter Break. If you plan to take advantage of this shuttle service, you are advised to not finalize flight tickets until shuttle times are publicized; this will minimize wait time at the airport since daily shuttle service will be limited. Shuttle service is only available during the designated times.

Any questions can be addressed to the Student Activities Office at 304.243.2210 or cab@wju.edu.

Clubs and Organizations
In conjunction with Student Activities, Student Government has oversight of University clubs, organizations and intramural sports. Students can visit Org Sync to see the clubs available and should contact Student Activities to create a new club!

Questions regarding student clubs and organizations can be addressed in the Student Activities Office located in Swint 201, by phone 304.243.2210, or by email events@wju.edu.

Publications
+ Cardinal Connection (Student Newspaper) + Jewelweed (Literary Journal)

McDonough Center
The Alma Grace McDonough Center, located at the lower part of campus, houses the Athletic Office, Swimming Pool, Racquetball Courts, Fitness Center and Performance Gym / Indoor Track. The Fitness Center in the McDonough Center offers students and employees nautilus and free weights during posted hours. An active Cardinal Card is required to gain entry into the Fitness Center. To best serve students and employees, the Fitness Center is not open to University visitors and alumni. When classes are in session, recreation facilities in the McDonough Center are open to students daily until midnight. However, the pool can only be used when a lifeguard is present; please see posted lifeguard hours located outside of the pool. The McDonough Center is open until 12 midnight daily. The McDonough Center is not open during University breaks.

Swint Student Center
The Swint Student Center is located on the upper part of campus and adjoins the Bishop Hodges Library. Swint is home to the dining room, the coffeeshop, the RA TT (campus pub and convenience store) and student lounges. Troy Theatre, located in Swint Hall, is used for student productions, academic symposia, concerts, debates, dance performances and conference event programs. Swint is open daily to students until Midnight (hours are extended during finals week).

What to do after New Student Orientation

+ Check your Wheeling Jesuit University email account regularly — this is the University’s primary way of communicating with you.

+ Review the academic calendar and make note of important dates. If you’ll be flying home for break periods, keep an eye out for the airport shuttle schedule before finalizing your flights.

+ Login onto Academus to review information on billing, financial aid and your class schedule.

+ Pay your University bill on time — August 1. If you cannot pay your balance by this time, set up a payment plan.

+ If you haven’t already, complete your Pre-Entrance Health Record Requirements.

+ Submit Advanced Placement Test (AP) Score and any transcripts to the Registrar’s Office so they can be credited to your record.

+ Purchase your books and save your receipts.

+ If you’re living on campus and you haven’t already done so, be sure to apply for on-campus housing at housing.wju.edu. Housing assignments will be made at the end of June and July, and students will be notified of their housing assignments via email. Get in touch with your roommate and start planning for your room!

New Cardinal Days – First Year Students

Friday, August 21 – Sunday, August 23

Fall orientation officially kicks off for all new first-year students! Since this is also the beginning of First-Year Seminar (a required class for all first-year students), participation in New Cardinal Days is an academic requirement — you’ll actually be meeting in your First-Year Seminar groups throughout the weekend. In addition, you’ll learn everything you need to know about campus life, campus services and meet other new and returning students!

Transfer Student Welcome – Transfer Students

Tuesday, August 25, 11:00 a.m.

Transfer students do not need to participate in New Cardinal Days. Transfer students should plan to move into housing on Sunday, August 23. There will be a brief Transfer Student Welcome program during lunch on Tuesday, August 25 at 11:00 a.m.; the program will include lunch in the Benedum room, an overview of campus services, and an opportunity to get to know other transfer students.
